

# Morrow County RODEO!

Bob Mahoney of Heppner was one of the ropers vying for the Kinzua-sponsored Severe Brothers saddle given away each year during the Morrow County show at the three-day rodeo. This year Morrow County Grain Growers has added another trophy saddle and area merchants have added many more trophy buckles to be presented to winners in the Morrow County Show. Saturday and Sunday action in the WRA Approved rodeo shows is typical of the unidentified saddle bronc rider.
