

## Heppner banker chosen for executive school

John Van Winkle of Heppner, Ore. has been selected to attend the School for Executive Development for savings and loan personnel at the University of Oklahoma.

Van Winkle is Manager at Western Heritage Savings.

The School, conducted by The Institute of Financial Education in cooperation with the University of Oklahoma, is a two-week intensive education for persons in managerial and supervisory positions in savings and loans. Van Winkle is one of approximately 100 students chosen from applicants from across the country

for the first-year session of the school. Successful completion of the first year and two interim projects qualify the students for a second year.

Among the subjects included in the first year of study are: Financial Analysis, Organizational Behavior, Organizational Communication, Economic Problems, and Management and Administration.

The Institute of Financial Education is the educational affiliate of the U.S. League of Savings Associations and provides educational programs for more than 62,000 members in the United States.

John Van Winkle

## County Court

In Morrow County Court action last week, Judge Delwin O. Nelson's resignation was accepted.

The court also discussed the need for a new car but it decided to wait to get one when the new county judge takes office. Farley Motor Co., of Heppner, gave quotes on some cars but official bids have not been given yet.

A "Memorandum of Understanding" was signed by the court and Dick McElligott of the Heppner soil and water conservation district. The memorandum essentially says the county and the conservation district will work together and cooperate to build a program which is mutually beneficial in the conservation of natural resources. The court had to sign it to meet standards set by the Department of Environmental Quality.

Eastern Oregon Farms had a state permit and the court approved a county permit for the company to haul hay on a triple trailer in Morrow County.

Forest lands in Morrow County have been a great source of income for the county in the past. Two years ago about \$67,000 was brought in and last year \$65,000 was the amount contributed to the county from forest land. Because of cutbacks, only \$18,000 was budgeted by the

county to come in this year but the court found out Wednesday the actual amount to expect will be in the area to \$31,591.

Signs will be posted in the county in dangerous areas where logging trucks travel to warn other vehicles of the hazard. Some roads in the county are narrow and when truckers drive down them, other vehicles are often forced off the road.

### Wind chimes mark opening of gift shop

If you have heard the tinkling of wind chimes around Irrigon, it's quite possible they came from Benny and Maxine Reeves' gift shop. It is located in the C&H Market.

The gift shop, that opened this summer, specializes in handcrafted items. They offer a variety of macrame, ceramics candleholders and have recently added handmade baby gifts.

Reeves stated that he was pleased with the response he has had to the gift shop. He takes orders for the different items and has been kept busy keeping up with the demand. His owl night lights have been popular as well as the wind chimes.

## Boy and Girl born at Pioneer Memorial Hospital

Mr. and Mrs. Glover Peck of Lexington were the proud parents of a little girl, Judy Lynn Peck, Sept. 21. Their new daughter weighed six pounds and five-and-one-half ounces at birth.

Mr. and Mrs. Alan Hatley of Monument had a baby boy Sept. 22 named Casey Alan Hatley who weighed seven pounds and four ounces. The grandparents are Mrs. Rita Hinton and Mrs. Paul Pears-on.

## Police Report

Leroy George Rosier reported four tires were stolen from his car. The car was parked in a fenced area with a security guard at the only entrance to the area. The theft was in Boardman.

William Jay Devin, 405 So. Lindenway in Heppner, was cited with reckless driving. He and his passenger, Russell J. Estes, were apparently traveling at excessive speeds of around 80 m.p.h. and driving on the wrong side of the road. The car skidded and rolled over two miles northwest of Heppner. Both occupants of the car were taken to the hospital and later released.

Steven Michael Spraitz was arrested on a felony charge, which according to Sheriff Larry Feisch was drug related. He had failed to appear in Orange County court in California for the felony charge. He was released into the custody of local attorney Bill Kuhn.

Ed Wilson, Rt. 2 Box 506 in Irrigon, reported a brick had been thrown through his kitchen window causing \$4 in damage.

Cassie Moore was cited for letting children ride in the back of an open truck bed with no sides.

A two-car accident occurred one-and-one-half miles west of

Irrigon. Wilma Westmoreland, of Hermiston, and Lee Edward Killen, of Idaho, collided when Killen tried to pass Westmoreland while she was trying to make a left turn. No decision has been made as to who was at fault.

Patricia Van Schoiack of Heppner may be a little hesitant next time someone asks to borrow her car. She loaned out her car to William Wells Rhinehart and Gary Sager, both of Pendleton, and they wrecked it. The pair were driving toward Pilot Rock on Highway 74 when a deer reportedly jumped out on the road. To avoid hitting the animal Rhinehart swerved off the road and when he turned to get back on it, the car rolled. Sager was reported as being intoxicated and he said he did not know what happened.

Delbert Turner was cited for a minor in possession of alcohol and having an open container in his vehicle. Turner, and his companion Tanya Tucker, were in a one-car accident on Black Horse Canyon Road. Turner, Rt. 2 Black Horse Canyon Road in Heppner, apparently wrecked his 1967 Mustang in an alcohol related accident. The officer found a six-pack of beer and a fifth of whiskey in the overturned car.

### Hospital news

Lemuel Pankey, Heppner, dismissed; William J. Devin, Lexington, dismissed; Russell Estes, Heppner, dismissed; Gayla Dahlky, Heppner, dismissed; Grace Bryne, Ione, dismissed; Greg Sweek, Heppner, dismissed.
