

Judge's appointment heads list for Atiyeh

(See related story, Page one)
Gov. Vic Atiyeh, now traveling in the Far East, will return to his desk in Salem on Monday. One of the first matters for his attention, according to Shirley Woodrow, an assistant, will be the appointment of the new Morrow County judge.
She said two names will be considered, those of John Mollahan, Heppner who has been recommended by the Democratic Central Commit-

tee, and Daniel A. Creamer of Irrigon, who submitted his application directly to the governor's office.
Woodrow said she has the responsibility of making background checks on the two persons before the governor makes a decision.
"With all appointments we want biographical information," she said. "In Mollahan's case, we have only his name, submitted by the Democratic Central Commit-

tee.
"We have written to him for this, and in addition we will make general calls in the area to get a perspective on the nominee."
Woodrow said the governor will either select between the two candidates or select a new person.
The final choice would be a Democrat to succeed County Judge D.O. Nelson, who has resigned effective Oct. 15. Nelson is a Democrat.

SHERIFF'S OFFICE REPORT :

Van reported stolen from Boardman power plant

The following is a list of cases handled by the Morrow County Sheriff's office in Heppner.
A 1977 GMC Rally Wagon Van was reported stolen from Tony McDonagh, No. 16-E Mancamp in Boardman. McDonagh reported the car had been taken from the Coal Fire Plant. The van was recovered later in Ontario,

Ore. and it had been in an accident. The driver at the time of the mishap was Chester Gerald Budrow and he was charged with unauthorized use of a vehicle, attempting to elude an officer and driving under the influence of intoxicants. Budrow will be prosecuted in Ontario but will probably not be prosecuted by Morrow County

District Attorney Dennis Doherty because McDonagh does not want to press charges.
Laura Jane Kosbau, P.O. Box 433 in Boardman, was arrested on a traffic warrant for failing to appear. She was released on bail of \$22.
John Jepson, P.O. Box 7 in Ione, reported a 1977 Chevy stolen. The car was found a

few hours later at the Spencer Rifle Restaurant near McNary by the Umatilla Police Department.
Darrell Dick, 672 E. Hurlburst St. in Hermiston, reported that garbage had been dumped in a canal in Irrigon. Investigation is pending.
A two-car accident was reported by Ronald Lynn Baker, Rt. 1 Box 64 C in

Boardman. Baker and Jose Rodriguez, 700 Wilson Road in Boardman, collided in the accident. Baker was driving a 1977 GMC pickup and Rodriguez was in a 1973 Chevy Vega. There were no injuries. The accident occurred on Columbia Ave. in Boardman.
Donald Wayne Fritz, 1310 S. Main No. 1 in Milton-Freewater, died in the Umatilla Hospital. Fritz was killed in an accident in Irrigon at the Western Empire involving a crane and the movement of some pipe. Investigation into the accident is pending.
Delbert Almeron Turner, P.O. Box 2064 in Heppner, was arrested on a circuit court bench warrant. Bail was set at \$10,000 but Turner was released on a \$1,000 payment. Turner is on probation and a hearing is planned for today to show cause why his probation should not be revoked. Turner allegedly violated his probation and the 19-year-old will probably receive a new sentence.
Antonio Gadelgadillo of boardman reported a 1965 Plymouth, license plate number YYF 875, stolen. Investigation is pending.
