

# School Board acts on a variety of issues

continued from page 1  
 an option to buy one mower and one tractor for the two new schools that are being built in Boardman and Irrigon.

They also decided to make a list of district policies on the paving and roofing priorities of the county for the schools including the sealing of existing pavement and the types of materials and areas to be paved and roofed.

Bill Culler's bid on the

30-passenger bus the district had for sale was accepted at \$555. P.T. Enterprises also made a bid on the 1967 Ford for \$103.16.

P.T. Enterprises made the only bid on the Travel All for sale but the bid of \$117.35 was rejected. The 1963 International has about 130,000 miles on it.

The school board decided to start improving the grounds at the two new school in Board-

man and Irrigon and \$8,000 was approved to start grading, seeding and fertilizing, and for a surface sprinkler system.

An air conditioning unit, which was accidentally sent to Columbia Junior High, was decided to be purchased for the dealer cost of \$3,600. Doherty said the unit came with the heating unit by mistake and the dealer is willing to sell it at cost so he will not have to pay for it to be returned. The air conditioner will be in the multi-purpose room.

The board also agreed to accept bids on the water systems at Columbia Jr. High in Irrigon and the new school in Boardman.

Doherty said the district has made \$41,843 to the good in interest which is uncommitted and he recommended some uses for the money for the school board members to think about. He recommended a fire hydrant system at the new Boardman school for

\$11,000, a \$7,000 water system in Irrigon and some fire doors and safety vents in the schools that the fire marshal has requested at a cost of about \$1,000. No action was taken in these matters.

Bus transportation has been a headache for the school board and they talked about the possibility of hiring contractors to do the work. The board runs the buses now and it costs \$156,033 but if a contractor did it, it would cost \$171,636.

When the two new school open up in Boardman and Irrigon, three buses will no longer be needed and so the prices mentioned will be cut about \$12,000. But the county can still save \$15,000 if they handle the buses themselves.

John Matthews said the district will have the same drivers but they will be working for someone else so they probably will not give as good a service as they do now, like honking the horn when someone is late and driving to

someone's house when they are sick.

The board, despite the added cost, decided to accept bids on the contracting of taking care of the buses but Ken Broadbent and John Matthews abstained.

The school board members will take a tour of the two new schools and look at the construction progress Oct. 22 and they also are planning a trip to the coal-fired plant.

The meeting was interrupted at the halfway point because of the new law that no one can smoke at a public meeting.

## Iran reduces wheat purchase

Lack of sales to Iran because of that nation's internal politics has contributed to the sagging grain market, according to a comment in the current newsletter of the Morrow County Grain Growers Association.

# Theft reported at Boardman plant

Cases reported to the Morrow County Sheriff's Office this past week include:

Frank Scott Payne, Rt. 1 Box 45A Box 145 in Boardman, reported a theft at the Portland General Electric housing camp near the coal-fired plant in Boardman. The doors to a trailer were apparently left unlocked and 16 smoke alarms at a value of \$480 were taken.

Payne also reported some tools were taken at the same time. The tools belonged to El Coyote Construction. The tools taken were a saw, a hydraulic jack and a wrecking bar totaling \$259.

Noel Harshman Sr., C St. in Lexington, reported that someone was in his house but nothing was taken.

Victor DuFrene reported a three-wheeled motorcycle, a 1977 Honda, was stolen from Sabre Farms.

Five minors in possession of beer were arrested last week

on Interstate 80 near Boardman. The five males were arrested for public indecency and being under age. One was a juvenile 13-years-old. The other four were Paul Jay Knudson, a 19-year-old from Portland; Stephen Keith Anderson, a 19-year-old from Gresham; Eric Robert Zantelli, an 18-year-old from Troutdale; and Steven Allen Wicht, an 18-year-old from Gresham. The juvenile was also from Troutdale. All of the young men over 18 posted bail and were released.

A two-car collision occurred near Ione on Highway 74. Lucille Ruth Rietmann, Box 105 Morgan Hill Road in Ione, was cited for failing to yield. She was driving her 1977 Chevy and she pulled out onto the highway in front of David Paul Taylor of Eugene and Richard E. Edwards of West Lynn. The 1972 Chevy Blazer Taylor was driving hit Rietmann's car. The 72-year-old

Rietmann was still at Pioneer Memorial Hospital in Heppner at press time.

## Apprenticeships in carpentry to be opened

Applications for carpentry apprenticeships will be accepted from Nov. 12 through Jan. 14, 1980, by the Pendleton Carpenters Joint Apprenticeship & Training Committee.

The announcement from the Oregon Bureau of Labor in Salem said the Pendleton Carpenters J.A.T.C. recruits for possible apprenticeship openings in Morrow, Umatilla and the west half of Grant County.

Applications will be available at the Bureau of Labor & Industries office, State Office Building, 700 S.E. Emigrant, Suite 320, Pendleton.
