

On to state Volleyball team second at district

The Heppner women's volleyball team finished second at the "7-A" District Volleyball Tournament last weekend in Pendleton so the team will be going to the state tournament.

Heppner's first opponent will be the team from Enterprise, who was first in its

Weston-McEwen won the second game of the match 15-12. Heppner had trailed again 9-5 and 14-9 but they fought back and fell just short.

Geri Grieb's serving led Heppner to its win in the first game as the team just kept the ball in play and let the TigerScots make the mis-

the game 16-14 and the match two games to one.

A bad call by a line judge could have cost Heppner the match when she said Kellie Hammond touched a serve that was out of bounds when it was obvious Hammond did not. But the Heppner team fought back despite the bad

So Heppner had to work its way up through the loser's bracket. The team was down after losing in the first round and they came up against Helix and they lost 15-4 in the first game of that match and it looked like the team might have a short afternoon of play.

Helix had a tall girl, six-foot-one inch Rockal Newton, who dominated the first game but was not a factor in the next two games as Heppner won 15-8 and 15-7.

Kincaid and Abrams' spikes led to the second game win for Heppner and the serving of Lynn Dee Devin, Grieb, Hammond and Steagall led the way in the other win.

The high point server for the 10 games the team played in the tournament was Steagall with 22. Devin had 20, Grieb 18, Abrams 13, Kincaid and Hammond 12. Nancy Miller had seven and Carolyn Plocharsky three.

district tournament. The Mustang squad will travel to Enterprise tomorrow night for a game at 7:30 p.m.

The team won its trip to state with an amazing come-back win over the team from Weston-McEwen in the third match of the tourney.

Heppner trailed the TigerScots 1-0 before the first game of the match even started because the TigerScots were awarded a penalty point when Heppner Coach Sheri Brock decided to change her starting line-up just before the game started.

Her strategy paid off because Heppner came back to win the first game 15-11 after the team trailed 11-6.

takes.

Both teams had trouble serving in the second game but the Mustangs had the most trouble leading to their defeat.

So the third game of the match was the deciding one on which team would go to state.

Heppner started out leading 3-0 and led 4-3 before the TigerScots made a big run. Weston-McEwen pulled ahead 11-4 and it looked like the team from Heppner had lost its inspiration.

But Alice Abrams came up to serve and she led the comeback. The TigerScots led 12-6, 13-9, 13-12, 14-12 and 14-13 before Heppner tied it up at 14-14. Heppner scored the final two points of the game to win

call to win the game. Weston-McEwen went ahead 14-12 because of that call.

Jana Steagall was the high server in the match with 14 and Grieb had eight and Abrams six, five in a row in the final game of the match.

Because of the win, Heppner played in the championship game of the tournament against Condon but after eight long games of inspired play, the team was worn out emotionally and physically and they lost 15-8 and 15-3. Hammond was the high server with five.

In the first game of the double-elimination tournament, Heppner lost to Weston-McEwen in two games 15-9 and 15-10. Heppner led in the first game 5-2 and the second game 4-0 but the lack of offensive spiking put Heppner on the defense allowing the TigerScots to have the upper hand offensively.

Mary Kincaid was the high server in that match with five and Steagall added four serves for points.

Football statistics show Heppner's supremacy

Why Your Tax Statements Are Late...

The deadline for tax payments due on Nov. 15, 1979, has been extended to Dec. 15, 1979 without penalty to the taxpayer.

The reason for this is the Home Owner Tax Relief bill passed by the 1979 Legislature, which has doubled the workload in the Assessor's office with the claims to be processed.
