

## Our Salute

Veteran's Day—the day we honor those who have served in the military services and fought in the nation's wars!

Remember the roll call of battlefields—from those of 1917-18 in France to the names of World War II: Pearl Harbor, Bataan, Guadalcanal, Sicily and the Normandy beachhead; the Korean conflict and Vietnam. In all of them, Men and Women of the Armed Forces served their country honorably.

Monday, Nov. 12, is the day set aside for a grateful nation to pay tribute to those who have served in uniform when the United States faced peril and strife!
