

Mustang boys and girls beat Ione roundball teams

Heppner beat Ione 68-48 in boy's basketball action and 48-14 in the girl's game at Ione last Saturday.

Heppner shot 90 percent from the foul line, 18 for 20, and ran the Cardinals ragged on the fastbreak in the boy's game.

"Ione only had a couple of days to practice and they were missing some players so I expect them to be a lot tougher the next time," basketball coach Dale Holland said. "I was pleased with our first game because we have not had that many practices."

Dennis Stefani gave Ione its only lead of the night when he canned the opening jumper for a 2-0 lead.

Jim Parker led Heppner with 10 points in the first period, mostly on short jumpers off the fast break. Heppner led 20-8 at the end of the first stanza.

Curt Day shot in two points in the second quarter to put Heppner ahead 26-12 when Coach Holland decided to put in his second team.

The reserve unit did not hurt the squad at all as the tough zone defense they played forced Ione to shoot from the outside.

John Murray, Dorian Forrar and Jim Launer scored before Ione could get on the scoreboard again as the score mounted 32-14.

Launer scored again on a pass from Forrar and the sophomore Forrar tallied the final bucket of the half on a step around move to put Heppner ahead at the mid-point in the game, 36-14.

Parker had 10 points, all in the first quarter, to lead the scoring. Forrar had four, Launer four, Bier six and Dale Holland six.

Stefani led Ione with eight points.

Heppner widened the lead in the second half to 40-14 on a shot by Bier after a feed from

Parker. The pair hooked up again seconds later on another play to make the score 42-16.

Day got an assist to Parker and Parker gunned a long shot in to open up an even larger point spread.

Stefani kept Ione within the 20 point margin with his long jumpers. His top of the key swish brought Ione as close as it was going to come the rest of the game 46-29.

Ione ran off its best offensive series in that span with 11 straight points ending with Stefani's jumper. Ione had trailed 46-18 when Stefani, Shawn LaRue, Mark Patton and Les Thompson combined to bring Ione within 19. Anxious players and bad ball handling by Heppner on the fastbreak aided the Ione comeback.

The score remained even in the fourth quarter with both teams scoring 17 points. Ione stole the ball a few times when they began a half court pressing trap.

But foul shooting by the Mustangs was 11 for 12 in the final period and Ione could not overcome that kind of shooting from the free throw line.

Stefani was the high scorer in the game with 21 points. Ione had four points from Treve Peterson, four from Jim McCabe, eight from Les Thompson, four from Shawn LaRue, four from Mark Patton, two from Paul Snow and two from Glen Krebs.

Parker led Heppner in scoring with 14, Bier added 10, Murray had seven, Forrar and Jim Launer had eight, Dale Holland had six, Curt Day six, Todd Sherer four, Tony Currin two, Curt Day two, Rick Cole two and Larry Palmer two.

Heppner outrebounded Ione 47-25. Launer had 10 rebounds, Holland had nine and Parker eight. The Mustangs shot 46 percent from the field, 25 of 54.

"We did not get as many shots as we would have liked

to but we did run the ball well and dominate the boards," Holland said. In the girl's game, Mary Kincaid scored 11 points in the fourth quarter to break open the game.

After three quarters, Heppner led 27-14 but Heppner shut out Ione in the fourth period and scored 21 points to make the final score 48-14.

The game started out slowly as both teams were tight. Lynn Dee Devin scored the first basket of the game after three minutes.

The Heppner zone and the much taller Fillies forced Ione to shoot from the outside.

Ione scored its first points of the game with two minutes left in the eight minute quarter on two baskets by Michelle LaRue as Heppner led 8-4.

Tammy Holtz, who did a good job blocking shots the entire game, got one in the first quarter but two baskets by Geri Grieb near the end of the period put Heppner ahead 13-4.

Heppner had balanced scoring in the second stanza as five different players scored and Heppner led at the half 23-8.

Kincaid and Grieb had six points to lead the half time scoring and LaRue led Ione with her four points.

Ione outscored Heppner in the third stanza 6-4 but in the fourth quarter, the Fillies, led by Kincaid, scored at will while the Cardinals could not find the hoop for a single point the entire quarter. Kincaid and Devin ran the fastbreak flawlessly in the quarter to put the game out of reach.

Kincaid led all scorers with 17 for the game. Grieb, Sandra Ward and Devin all had six points. Margaret Kincaid had three and Lottie Laughlin, Alice Abrams, Deann Conner, Kellie Hammond and Shelley Mann all had two points.

Diann Morter and LaRue led Ione with four points each. Margaret Doherty had two as did Anita Palmer and Lori Edwards.

'Give it to me'

Kellie Hammond ties up Tammy Holtz (42 white) while Heppner's Lottie Laughlin (44), Cindy Bowman (12) and Alice Abrams (right) watch the action. Little Diann Morter who is 5-foot-1, moves into the background for Ione.

PUBLIC NOTICE

Bacteriological Standards Exceeded in the City of Heppner Water Supply

The City of Heppner reports that the water supply failed to meet federal bacteriological standards during the July, August, and September quarter of 1979.

Analysis of monthly drinking water samples indicated that the July sample was positive for coliform organisms and that this result, averaged with the August and September sample results, exceeded the 10 percent limit allowed by law. The coliform organism is used as an indicator of microbiological quality and, while these organisms pose no threat to health, their presence does indicate that a source of contamination might exist somewhere in the water system.

An investigation by the City was initiated as soon as the positive sample was reported. The City's reservoir was drained and cleaned. Subsequent samples of the drinking water were negative for coliform.
