There were 30 buyers and 60 consignors represented at today's market. Market trend: Killer and feeder cows held steady to strong. Cattle going to the feed lot were still active. Farmers and ranchers are reluctant to take any stockers or replacement cattle home. Feed is short and interest rates are high.
Buyers and sellers alike think things will be better after the first of the year. And we hope so too.
Thank you Kindly,
John B. Kirby
