## Ione wins two

In the first Big Sky Conference game of the season for Ione, the Cardinals came out on top in a defensive battle 43-24 over Cascade Locks.

The Cardinal defense held Cascade Locks to under 10 points in every quarter.

Ione led just 7-6 at the end of the first quarter and led 18-14 at halftime.

The third quarter was crucial as Ione held Cascade Locks to just two points while scoring 10 and taking a 28-16 lead going into the final period. Ione outscored the home team 15-8 in the last period to almost double the score by the end of the contest.

The Cardinal press in the third period proved to be Cascade Locks' downfall as leading Ione scorer Dennis Stefani scored six of his 14 points that period, most after steals.

Senior Robin La Rue, in only his second game after being out with an injury since the beginning of football season, scored 9 points for Ione. The rest of the Cardinal scoring was Gregg Rietmann with 6, Shawn LaRue 4, Mark Patton 3, Treve Peterson 3, Jim McCabe 2, Les Thompson 1 and Glen Krebs scored 1.

One bad spot in the Cardinal game was free throw shooting as the team made only 5-of-15.

In the preceding junior varsity game, Ione beat Cascade Locks 44-35.

In a non-league game Jan. 4, Ione smashed Umatilla 64-40.

Ione trailed 8-7 at the end of

the first quarter but the Cardinals exploded for 11 points in the second period to take an 11 point lead going into the lockerroom at halftime, 26-15.

Umatilla came back in the third quarter outscoring the home team 16-14 and trailed by nine going into the last quarter at 40-31. But Ione got hot in the last period scoring 24 points and holding the Vikings down to nine and the Cardinals won easily.

Again the half-court trap press, used most of the game by Ione, proved to make a big difference in the game as the team forced Umatilla into committing 38 turnovers.

Stefani again led the scoring with 20 points. Jim McCabe had his best showing of the young season as he came off the bench to score 15 points. Patton scored 7, Rietmann 6, Robin LaRue 4, Shawn LaRue 2, Treve Peterson 4, Les Thompson 2, Glen Krebs 2 and Ralph Morter made two free throws.

The Cards will try to keep their winning streak alive when they take on Helix tomorrow night at 8 at Ione's gym. Helix lost its first league game last week to Wheeler 51-38. Ione plays at Wheeler Saturday in another 8 p.m. contest.

In other league games last week, Arlington beat Umapine 94-50 and Dufur beat Echo 79-52. Those two winning teams are the favorites, along with Ione, going into the league season.

## Heppner JV now 4-1

The Heppner JV basketball team beat Wahtonka 49-39 as the team improved its record to 4-1.

But Coach Brent Eggars was not too happy with his team's performance.

"It was by far our worst performance of the year," he said. "We did very little right other than win. Ken Stookey and Robert Bier had their best games of the season.

And they came at a good time. We will have to play much better than that to stay in the game with Riverside."

The Pirates travel to Heppner tonight to play at 8 against the Mustangs.

Heppner led at halftime 21-12 thanks to 13 points by Stookey, a junior.

The lead fell to 35-27 after three periods with Greg Sweeney hitting from the outside and Stookey on the inside for most of the scoring.

Bier took control in the fourth period when he grabbed three offensive rebounds and put them back in for baskets.

Stookey led the team with 21 points followed by Bier with 14, Sweeney with 10, Brian Thompson 2 and Joe Mollaban scored 2. Stookey also had 17 rebounds.

## Bowling

### Koffee Kup

The Pytts lead the Koffee Kup Keglers League with a 49½-18½ record.

The Three L's team is second with a 42-26 mark and the Gutter Dusters team is third at 37-31. The Weary Wives and the Hi Ho's teams are tied for fourth place with 35-33 records. The Three Holers team and the Dregs are next with identical 26-42 records and the Newcomers team is last at 21½-46½.

The Weary Wives team is first in total pins with 26,697 and the Three L's are second at 26,689. The Pytts team is third with 26,634 and the Gutter Dusters fourth at 26,321. The Three Holers team is next with 25,895 and the Hi Ho's team is sixth with 25,779 total pins. The Dregs team is

seventh with 25,703 and the Newcomers last with 25,666.

Faye Ruhl bowled the high individual game with 194 and she had the high three-game series with 501. The Dregs rolled the high team game with 562 and the Gutter Dusters had the high series for a team with 1,660.

Iris Campbell bowled a 202 for the high game of the week during the holidays. She also had the high series with 535. The Weary Wives shot both the high team game, with a 620, and the high team series, with a 1,719.

Pat Lankford picked up the 2-5-10 split, Betty Snow made the 5-10, Rita Britt made the 5-8-10 and Bert Johannes made the 3-10 combination.

## Thursday League

Kinzua Corp. leads the Thursday Night Ladies Bowling League with a 40-28 record and is also first in total pins with 44,135.

Ray Boyce Insurance is second at 39-29 but is fifth in total pins with 43,319. Blackhorse Tavern is third at 38½-29½ and second in total pins with 43,934. Columbia Basin has the fourth best win-loss record at 37½-30½ and is fourth in total pins with 43,655.

Gateway Toyota is third in total pins with 43,723 but has a

record of 34½-33½ for fifth place. Kroll's Dept. Store is 33-35 for sixth place but is last in total pins with 41,213. Cal's Cafe is seventh at 26-42 and 42,533 and Heppner Bowl is last in the standings with a record of 22½-45½ and is sixth in total pins with 43,161.

Harriet Evans rolled the high game of the week with a 202 and Billie Doherty bowled the high three-game series with a 490. Blackhorse Tavern bowled the high team series with 2,620 and Heppner Bowl had the high team game with 905.

## Two substitutes spark Heppner

The quote of the week in the Heppner High School boys locker room states, "You can't stay up with the owls at night and expect to keep up with eagles in the day."

The Heppner basketball team members must have gone to be early last week as they not only kept up with the Eagles from Wahtonka but they beat the visiting team 59-47.

Heppner trailed in the game 31-29 going into the last quarter but the team rallied for 29 points in the last period while Wahtonka scored 16. Jim Parker scored eight points in the last quarter, Jim Launer scored seven and Rick Cole added eight to lead the comeback.

The first quarter started slowly for both teams as the score was tied at 4-4 at the end of that period. Heppner was forced to shoot from the outside over the tall Wahtonka zone and their shooting was cold.

Wahtonka had a definite height advantage as Parker, who is 5-foot-10, had to guard Eagle Ken Tesch, who is 6-foot-4.

Heppner led 9-8 in the middle of the second quarter when the Mustangs ran off eight straight points, six on successful one-and-one free throws, to lead 17-8. Heppner led 21-14 at halftime as the Eagles made only three baskets from the field the entire first half and made the rest of their points from the foul line.

Parker led Heppner in scoring at halftime with 12 points and Curt Day had 5 points. Tesch led the visitors with four points.

Wahtonka outscored the Mustangs 17-8 in the third quarter to take the lead by two points at the end of the period.

Tesch began to take charge in that period as he scored three quick baskets from the inside to make the score 23-20. Wahtonka scored again on a fast break to close the gap to 23-22.

Parker kept Heppner in front with his outside shooting to make it 27-23 but David Blake got hot for Wahtonka, scoring four baskets near the end of the period on inside shots to give the Eagles their first lead in the game with 30 seconds left in the third stanza 31-29.

The lead changed hands the first two minutes of the last quarter until, when the score was tied at 37-37, Heppner ran off eight straight points. Parker started the rally with a follow-up shot after Cole's miss and then Cole stole the ball and made a fastbreak lay-in. Day scored and Louner scored on a fastbreak lay-in on

a pass from Parker as Heppner led 45-37.

Wahtonka closed it to 48-41 but Cole made two outside shots and scored on another fastbreak with an assist from Parker as Heppner went ahead 56-45. Launer finished off the scoring with two seconds left in the game on another fastbreak with an assist pass from Parker to make the final score 58-47.

Wahtonka had to play the last seven minutes of the game without its tall center, Tesch, who fouled out with 13 points. He got a technical foul which Day converted, when he was upset about receiving his fifth personal foul.

Parker hit 10-of-16 shots from the field during the game and grabbed 10 rebounds. Dale Holland had eight boards as Heppner outrebounded the taller Eagles 41-29.

Parker scored 26 points, Day 13, Cole 10, Louner 7 and Holland 2.

Heppner plays Stanfield tomorrow night at 8 in Heppner in the first league game of the season. The Mustangs travel to Riverside Saturday to play the Pirates in an 8 p.m. contest.

## Ione girls beat Cascade in first league game

The Ione Cardinals girls basketball team is 1-0 in league play after beating Cascade Locks in an away game 27-23.

Ione jumped out to an 11-0 lead at the end of the first quarter but Cascade Locks pulled to within one at halftime 14-13.

The Cardinals regained their big lead at the end of the third period as the team led 24-15 but again the home team came back in the fourth period but fell short losing by four points.

"We let them get back in the game in the second quarter when we switched from a pressing defense to a zone and gave up some inside shots," Coach Martha Doherty said. "We dominated the boards 31-23 and had 26 turnovers while they had 43."

The 3-6 Cards were led by Tammy Holtz with 11 points, Martha McElligott had 6, Lori Edwards 5, Anita Palmer 2, Diann Morter 2 and Margaret Doherty scored 1.

Umatilla bounced the home

team from Ione 32-16 in a non-league game Jan. 4.

Ione led at the end of the first quarter 6-3 and trailed at halftime 17-10. The Cards did not score in the third period as they trailed 21-10 before the Vikings pulled ahead for good in the final stanza.

Holtz led the team in scoring with 4, Palmer had 3, Doherty 2, McElligott 3, Liz McElligott 2 and Kim Pettyjohn 2.

Turnovers were even as both teams had 27 but Umatilla won the game on the boards as they outrebounded the shorter Cardinals 41-22.

"We got wiped on the boards," Coach McElligott said. "We average about 5-foot-5 in height and they had a uniform height of about 5-foot-9 so they had a height advantage. We did not have an opportunity to scrimmage for about the last three weeks because all 10 kids have been sick (at one time or another during the holidays). Michelle LaRue has been injured since the Heppner game but we hope to get her back this week."

## Lankford still unbeaten

In Heppner City Basketball League action last Sunday, Steve Rhae scored 16 points, mostly from the outside, but it was not enough to beat the balanced scoring of Steve Powell's team as Les Schwab lost 50-38. The winners were led by Bill Meyers with 13, Powell had 12 and Brent Eggars 11.

Jim Lankford's team continued its unbeaten ways as it defeated Mike Smith's team 70-38. Lankford scored 24 points, Allstott 10, Padberg 14 and McLachlan 15 for the winners. Green led Smith's team with 11.

Laverne VanMarter's team beat Rick Johnston's team 72-49. Dirk Dunlay led the winners with 15 points fol-

lowed by Paul Van Marter with 12, Mike Stookey with 11, Mark Huddleston with 12 and VanMarter with 10. Gary Watkins led the losing team with 20 points, Ted Toll had 10 and Mitchell 13.

Don Barber's team won its first game of the year with a 51-39 win over Roger Britt's squad. Dave Eckman led the balanced attack of the winners with nine points. Rick Britt led the losers with 12 points.

In this Sunday's games, Steve Powell (2-1) plays Jim Lankford (3-0) at 5 p.m., Roger Britt (0-3) takes on Les Schwab (0-3), Don Barber (1-2) will play Rick Johnston (1-2), and in the 8 p.m. game, Mike Smith (2-1) will play Laverne VanMarter (2-1).

# PGE ENERGY UPDATE

## Long Range Power Shortage Still Serious... Conservation Called For

The combination of the Trojan nuclear plant being down for repairs and the extremely low water behind the dams in the upper Columbia river basin, has caused a serious power emergency. Recent rains in the upper Columbia river basin have helped ease the situation somewhat, as have the moderate temperatures we have been experiencing lately in the Willamette Valley. To meet the demands of our PGE customers, the company's emergency combustion turbines continue to operate. The Trojan repairs have been completed and we hope that by the time you read this the Nuclear Regulatory Commission has completed required inspections and hearings and that the 1100 megawatt plant will be back on line. This would help the situation greatly. In the meantime, we ask that our customers double their conservation efforts. If all efforts fail, mandatory curtailment of electrical use may be required. We sincerely hope that is not necessary.

## Popular TV Conservation Show Continues on KPTV

PGE is continuing to sponsor the popular "How To With Pete" do-it-yourself conservation TV show on channel 12, Saturday mornings at 10 to 10:30 a.m. For viewer's information, PGE's Mr. Conservation, Pete Prlain, will tell you "What's New in Energy Saving" on January 5; the following Saturday, January 12, he shows viewers "How to Install a Sliding Storm Door;" on January 19, he explains "What Weatherization Is All About;" and on January 26, you'll learn all about "What's New in Making Your Own Storm Windows." Complete schedules of the shows which run through March 8, are available at all PGE offices. Pick one up and attach it to the refrigerator door so you won't miss any of these energy- and money-saving shows.

## Clothes Lines, Racks Good Conservation Idea

One of our good conservation-minded customers called last month explaining what she is doing to conserve electricity and suggested that we pass on her wall watching practices to our other customers. Here 'tis: she simply dries her heavy towels and jeans on an inexpensive clothes rack in the utility room which cuts down on the amount of electricity it takes to dry an entire load of wash. Going a step further, if you have a basement, investing in a retractable clothes line is another good idea. With this and a few dozen clothespins, you can virtually eliminate using the dryer altogether. Assuming that it takes 30 minutes to dry a load of wash — which uses approximately 3 to 5 kilowatt-hours — every line-dried load saves you 7-1/2¢. Another bonus — the exercise is good for you.

## Look Up and Look Out

If you received a CB, a TV or a radio for Christmas that requires the installation of a rooftop antenna, you're anxious to begin operations. Some words of caution: antenna installation can be dangerous, and the safest, easiest way to do it is to hire an expert. The professional knows what to do and has the tools to do it quickly and safely. If you do it yourself, however, make sure that you use extreme caution in keeping the antenna a good, long distance away from power lines. Antennas are clumsy to handle, will sway in a wind and your perch is precarious at best on a sloping rooftop. So, good buddy, please be careful so you can enjoy your gift.

## Seniors Get Special Help For Special Circumstances

To counsel and to care for the special problems that PGE's senior customers might have, the company has four representatives who have special information and programs available to help solve those problems. The four young women who can be contacted by senior customers are: Brenda Hammond in the Gresham, Clackamas County areas; Barbara Carey in the Woodburn, Silverton, Sheridan and Salem areas; Carolyn Schaefer, Portland, Milwaukie, and Lake Oswego areas; and Lynda Danielson, the Beaverton, Hillsboro, and Newberg areas. If you're a senior or know of one that needs special help in anything relating to electrical matters, call the PGE office nearest you. They will be happy to help.

## Thought for the Day

"Nothing in this world is so powerful as an idea whose time has come."
