1 Card of Thanks

I would like to take this way to thank everyone for all the thoughtful calls about me, the many prayers, cards and letters, plants and flowers, and other gifts, the many offers of help during my recent illness.

A special thanks to Dr. Wolff and Dr. Parsons, all the staff at Pioneer Memorial and Good Samaritan hospitals.

Everyone has been just great, and is so greatly appreciated. Thanks so very much to all.

Helen Stevens

Thank you friends and relatives for your many prayers, masses, cards, flowers, phone calls and all other acts of kindnesses during the last several months of my illness. Your concern, understanding friendship and support has meant so much to us. Also, thanks to the gals who have been bringing meals to us, to those who have shown such interest in the Kidney Dialysis machine and to those who have made contributions to the Kidney Association, to my 4-H group and my sorority sisters. From the bottom of my heart, I thank you.

Public Notices

PUBLIC NOTICE

Bacteriological Standards Exceeded in the City of Heppner Water Supply. The City of Heppner reports that the water supply failed to meet Federal bacteriological standards during December 1979. Analysis of monthly drinking water samples indicated that the December sample was positive for coliform organisms and that this result exceeded the limit allowed by law. The coliform organism is used as an indicator of microbiological quality, and while these organisms pose no threat to health, their presence does indicate that a source of contamination might exist somewhere in the water system. An investigation by the City was initiated as soon as the positive sample was reported. Chlorination was immediately instituted and subsequent samples of the drinking water were negative to coliform.

Top price on steers was 96.50. The market was active Tuesday, especially since prices in the mid-west are within \$3.00 cwt of our local market prices. We thank very kindly those who attended the sale, and for the consignments we received. Also a special thanks to the Union County Livestock Assn. for their co-operation and effort that they put into this sale. We will have a larger run of cattle at our next sale, Thursday, January 31.
