Further plans were made for the district meeting soon to be in Lexington. There were 25 buyers and 36 consignors represented at today's market. MARKET TREND: We had an excellent market this week even though numbers were short. There was plenty of competition between buyers which helped keep the market up. Already consigned for next Thursday's sale are 200 head of excellent quality Hereford calves, 150 top quality steer and heifer calves and 100 head of mixed calves from Long Creek. With this many calves coming in this should be a good time to bring your calves to town. We look for the market to be good.

Thank you,

John B. Kirby
