

## Musical to be staged by Boise troupe at 1st Methodist Church

"Lightshine" will be presented in Heppner by 30 young people from Boise at the Heppner United Methodist Church beginning at 8 p.m. March 14. The New Life Center and the Seventh Day Adventist congregations are cooperating with the Methodists in housing the musical's cast, who will be spending the night in Heppner homes.

"Lightshine" is an adaptation in concert-narrative form which stages journeys with a mime as he searches through the Beatitudes for the secret of happiness. He meets many characters—some happy,

some sad—and as one travels with him, many types of music are heard—some humorous, some serious.

As "Lightshine" ends, the music, mime, and characters come together to complete the puzzle of happiness.

The music is by Buryl Red, the book and lyrics by Grace Hawthorne and the concert narration by Melvin A. Hawthorne. The co-directors are Don and Connie Branton who also both accompany the vocalists. Some guitar and drum accompaniment is included by members of the cast.

This very special Lenten program will be introduced by the Rev. S. Michael Sheridan, the host pastor. He has seen the production, he said, and feels very enthusiastic about it. Sheridan says it should appeal to family members—of persons of every age.

At the conclusion of the musical everyone is invited to the social rooms to meet the cast and to enjoy visiting about the show over coffee, punch and cookies. There is no admission charge but a free will offering to help with travel expense will be appreciated.

## Morrow 4-H'er awarded scholarship for his second year at college

Ken Bailey, currently attending Blue Mountain Community College, has been awarded the first \$250 scholarship from the Morrow County 4-H Leaders Council.

This scholarship recognizes past achievements in the 4-H program. It is available for the student's second year of school. It was theorized that most students should, and would, have enough funds saved for at least one year of

school. Often outstanding 4-H members, such as Ken, also receive other scholarships for their first year.

Ken was an outstanding livestock 4-H member in Douglas County prior to moving to Morrow County where he completed his 10th year. Morrow County Fair awards going to Ken were the Round Robin Award for Showmanship and the Champion Beef Showmanship Award. At the

state level, he received the Beef Herdship Championship and Reserve Champion for Beef Showmanship.

Family members are parents, Dwight and Janelle, brother Jeff, and sister Nancy, who live on Little Buttercreek. Ken is taking Agriculture Mechanics and Diesel Mechanics at BMCC, where he was named to the Dean's list with a 3.87 grade point average.

Although the Kitty Hawk was originally scheduled to return home before Christmas, the unexpected journey to the Indian Ocean because of the Iranian crisis meant cancellation of holiday plans. She also steamed in waters off Korea upon notification of President Park's assassination.

In addition, the Kitty Hawk led a task group in a sweep of the South China Sea searching for refugee "boat people," participated in many fleet readiness exercises and steamed more than 70,000 miles.

VAQ-135 flies the EA-6B "Prowler" jet aircraft. Dick's squadron's planes are specially equipped to conduct electronic warfare (jamming) operations in addition to their all-weather capability to detect and locate enemy targets.

A 1962 graduate of Heppner High School, Dick joined the Navy in May 1974.
