

LaRue impressed by Saturday's team action

(Continued from page 9)

Captain LaRue was much "more impressed" Saturday with his Cardinals in the one-point loss to Prospect.

"Prospect is big and physical and they may have been the best team in the tournament," LaRue said. "I was happy that we played a good game to show everyone that we belonged in the tournament."

Ione was not in awe of the much taller Prospect front line of 6-3 Ron Scriven, 6-3 Don Scriven and 6-4 Troy Stillwagon as the Cards made it close most of the game.

Ione trailed from the start and was behind 13-11 at the end of the first quarter.

After trailing 22-15, Ione made a run scoring 12 straight

points to take a 27-22 lead.

Shawn LaRue started the streak hitting both ends of one-and-one free throws and Treve Peterson did the same. Gregg Rietmann sank a 20-footer and Mark Patton scored inside to give Ione its first lead in the game at 23-22 with three minutes left in the second quarter. But the streak was not over as Stefani scored after he stole the ball and Rietmann scored after an offensive rebound to end the 12-point string.

Ione still led at halftime 31-28.

The teams traded baskets in the third quarter until Prospect ran off a string of its own.

After trailing 39-36, Pro-

spect scored 11 straight points to lead 47-39. Robin LaRue ended the streak scoring after stealing the ball. Ione trailed 49-41 at the end of three quarters.

The Cardiac Cards mounted a few more streaks in the fourth quarter.

Trailing 51-41, Robin LaRue

hit a 25-foot bomb then hit a free throw and Patton scored inside to cut the lead in half at 51-46. Prospect increased that lead to 59-50 but Gregg Rietmann sank an outside shot and Stefani sank three 20-foot shots and drove inside for another score to give Ione the lead at 60-59. Prospect turn-

overs aided the comeback but Ione was just as generous as they turned the ball over twice after taking the lead and Prospect scored to take a 63-60 lead. Two more baskets by Stefani were not enough as Ione fell one-point short in what had to be the most exciting game of an excellent tournament.

Ione was outrebounded 37 to 20 but Prospect had more turnovers, 30 to 20. Ione shot 41 percent from the field, 28 of 68, while the Cougars shot an amazing 61 percent, 27 of 44. Ione lost the game at the foul line making only 8 of 15 while Prospect made 11 of 20.

Stefani led Ione in scoring with 22 points and Robin LaRue bounced back to score 13. Rietmann and Patton scored 10 apiece, Shawn LaRue had four, Jim McCabe three and Treve Peterson two. Prospect was led by its tall front line with Don Scriven getting 23, Ron Scriven 16 and Troy Stillwagon 11.

It was the last basketball game for three seniors on the Ione team—Stefani, Robin LaRue and Glen Krebs.

"We are going to miss all three of them," Coach LaRue said. "Dennis and Robin have been starters since they were freshmen. Krebs has been versatile coming off the bench. It is going to be difficult to lose them."

1980 census counters needed soon

More applicants for paid, temporary work as census takers during the 1980 census are urgently needed, according to David S. Rasmussen, Manager of the local census office.

Census takers will be assigned to their own neighborhoods whenever possible, the manager said. Paid training will begin very soon, followed by several weeks of full-time work visiting homes and interviewing the residents.

Census takers should be U.S. citizens age 18 or older. However, they may be hired at age 16 or 17 if they are high school graduates or have equivalent work experience. Also the citizenship requirement may be waived, especially for persons fluent in a foreign language as well as English.

A census taker must be able to follow printed instructions, do simple arithmetic, and read maps, all of which will be

tested before interviewing for hiring. Pay will average \$4 an hour or more.

Applicants should have a home telephone and a car, but neither is absolutely necessary. Mileage will be paid when a personal car is used for census work.

For more information contact David S. Rasmussen, Census District Manager, at 745 N.W. Bond Street in Bend, OR 97701 or phone 389-0170.
