Fishing season opens April 26

Fishing season in Willow, Rhea and Butter Creeks will open April 26, according to Glen Ward of the state game department.

The limit is five fish, six inches and longer, in the streams.

Lake fishing also begins in Penland, Cutsforth and Bull Prairie lakes. The limit is 10 fish a day, six inches and larger. Five of the 10 fish cannot be larger than 12 inches.

Ward said rainbow trout are scheduled to be stocked in Willow Creek before the season begins.

All other streams will open May 24. Ward said the reason for the late opening is to protect young steelhead who have not made it to the ocean.
