

College football coach speaks at Heppner All Sports Banquet about goals

Eastern Oregon State College Coach Don Turner was

Three L's win Keglers League

The Three L's bowling team consisting of Roxie Lovgren, Maureen Howard and Linda Schultz came in first place in the Koffee Kup Keglers Bowling League.

Second place went to the Pytts team. On it are Alma Vinson, LaRae Kindle and Ellen Kennedy.

Iris Campbell rolled the high individual series of the year in the league with a 544. She also had the best average in the league with a 157.

Linda Schultz bowled the high individual game with her 227.

The improved bowler was Ellen Kennedy, who improved her average by nine pins.

the guest speaker at the first Heppner High School All Sports Awards Banquet Monday night.

Turner has been coaching

for 25 years, 17 in college, and led the EOSC team to a 9-2 season in football last year.

He said a small minority is giving athletes a bad name with problems of cheating on

school credits, marijuana, alcohol, etc.

"The biggest problem I have is getting students to attend class," he said.

Turner said athletes learn

how to pick themselves up out of the dirt and to have values, courage and guts.

"The best people I meet are people I recruit," he said. It takes a special person to be a

coach's wife or an athlete's father or mother because it takes sacrifice, perseverance and dedication.

Turner said goals are important because they can help

an athlete achieve beyond what he thinks he can.

"There is a thin, razor edge difference between champions and runner ups," Turner said. He added that he would like

to congratulate all of those who were not awarded at the sports banquet because it is the "support of their teammates" that led the ones awarded to success.
