

Lexington reunion June 28 announced at Grange

Lexington Grange met on May 26, starting with a potluck dinner at 6:30, with Mr. and Mrs. Glover Peck in charge.

The meeting was called to order by Master Barbara Cutsforth at 8.

Reports of the various committees were presented, and measures to be voted on were discussed.

It was announced that the fourth Lexington school reunion will be at the Lexington Grange Hall June 28. The day will begin with registration at 9:30 and a potluck dinner at noon and a short program following. The day is planned for visiting and getting reacquainted with schoolmates and friends. A small fee of 25 cents per member is being charged at registration. The evening will be left open for individual classes to get together.

A program was presented by the Lexington Soil Erosion District, organized in 1937 by people interested in controlling the loss of soil by wind. Two of the charter members are Karl Miller and O.W. Cutsforth with the rest being deceased.

This group of men drew up a request and presented it to the legislature, where it was approved and the first district was formed.
