The members of the Lexington Church of Christ enjoyed a very fine day on Saturday at Cutsforth Park. The day was spent in eating and playing games and relaxation. All report a very fine time.

### Social Security rep. at center

A Social Security representative is scheduled to be at the Neighborhood Center, 178 Willow in Heppner tomorrow, July 11, from 10 a.m. to 12 noon.

### McElligotts celebrate

Over 200 friends joined Dick and Lea McElligott in a joyous celebration at their ranch home near Lone on Saturday evening, July 5.

Ten of their twelve children were at home, and the proud parents spit-barbequed two fine lambs to go with assorted salads and French bread and assorted drinks.

Relatives and friends of newlyweds Jim and Eileen McElligott from Missoula and Dave and Ann (McElligott) Hull from Helena helped serve the many guests.

The party lasted from 4 p.m. until 6 p.m. The two young couples departed for their Montana homes the next day, traveling together in a "rent-a-wreck" bus.

## Now is the time to pick wheat for weaving

by Birdine Tullis, Morrow Extension Service

Right now is the time to pick wheat for weaving, or for making sheaves, while the kernels are in the "dough" stage.

Picked in the dough stage, the kernels will not shatter out, and the straw is more pliable and easier to make into sheaves or woven. The straw should be "turned" or a golden color, not green.

To test to see if the kernel is in the dough stage, pinch the kernel. If it is still contains enough moisture to drip slightly, it is too green. If it is

soft and "doughy," the time is right.

Morrow County is wheat country, and with the good crop prospects this year, there should be many beautiful wheat sheaves, and other wheat or grain exhibits at the county fair.

**BRIGHT NEW LOOK AT COUNTY EXTENSION, ASCS, AND SCS OFFICES**

There is a bright, new look at your local county offices, courtesy of the landlord at the Coast to Coast Building. New bright orange carpet is being installed, along with storm windows and new venetian blinds. There is no interrup-

tion of work schedules since the improvements are done at night.

**BOOTHS AT COUNTY FAIR**

Any group planning a booth at county fair should contact the fair board secretary, Dorothy Estberg, at 676-5159, to arrange for a booth space. Booth space is limited, so early application for a booth insures the space.

**IFYE COMING**

Brett Crook, International Four-H Youth Exchange from Australia, will be visiting host families in Morrow County July 8 to 29.

His first stop will be with the Gary Grieb family, where he

will have the opportunity to learn about irrigated and dryland crops, as well as the raising of registered Angus cattle.

The Jerry Myers family will be his second host family. There he will have the chance to see wheat harvest in full swing as well as haying.

A cattle operation will be his third stop, when he spends time with the Charlie Daly family.

If time permits, he will spend a week with the Roger Palmer family before his departure from the county.

IFYE's usually have only one host family per county, but

we feel Brett will be four times as lucky as most, for each of the host families have agricultural specialties to share with him, as well as lots of companionship from his own age group.

Any club or group that would be interested in hearing about Australia, or meeting the special guest in our county, may call Birdine Tullis at 676-9642. IFYE's usually have a slide presentation program they are happy to share.

**4-H'er TO CANADA ON EXCHANGE**

Good times and new experiences are just ahead for

Shane Laughlin of Heppner as he joins 4-H'ers from Gilliam, Wheeler, and Sherman counties for an exchange visit in British Columbia, Canada.

Four Eastern Oregon 4-H members will travel with Extension Agent Ken Killingsworth departing July 9 and returning the 28th.

The Canadian exchange is carried out each year, with youth from the four counties traveling to Canada, and in turn hosting Canadian exchanges later in the summer.

Killingsworth travels to Canada each summer to serve as livestock judge, and offers one member from each of the four counties the opportunity to enjoy life in the Canadian province.
