

Local woman earns UO degree

Some 1,012 degree candidates will be eligible to participate in summer term commencement ceremonies Saturday, Aug. 9, at the University of Oregon.

Among this year's summer candidates for degrees is Linda A. Shaw, Heppner, who is receiving a master's degree in curriculum and instruction.

The event will begin at 10:30 a.m. outdoors in the Memorial Quadrangle, which is enclosed by the Library, Museum of Art and Prince Lucien Campbell Hall. In case of inclement weather, the ceremonies will be held inside at McArthur Court.

Ray Hawk, vice-president for administration and finance, will be the featured speaker. His address will focus on the fiscal problems facing higher education today.

Among the summer term degree candidates are 505 bachelor's degree students, 404 master's degree students, 102 doctoral degree students and one law degree student. Commencement ceremonies are held at the end of each academic quarter.

Local Navyman participates in ocean exercise

Navy Aviation Electronics Technician 2nd Class Grant S. Carter, son of Ola M. Groshens of Heppner, recently participated in exercise "Multiplex 1-80" in the Indian Ocean.

Grant is a member of Carrier Airborne Early Warning Squadron 116, based at the Miramar Naval Air Station, San Diego, and currently embarked aboard the aircraft carrier USS Constellation.

The two-day multi-threat exercise placed emphasis on U.S. and British Royal Navy joint anti-air and anti-surface warfare tactics. The exercise was the first of a series conducted with the British force during the squadron's deployment to the Indian Ocean.

Grant's squadron flies the E-2 "Hawkeye" early warning aircraft. The "Hawkeye" is outfitted with an electronically developed radar system that is capable of long-range detection and identification of airborne targets. Grant joined the Navy in February, 1964.

PUBLIC NOTICES

Public Notice

Nominating petitions are available from Diana Starr, Recorder for the City of Ione. Please call 422-7528 for petitions. Official terms expiring for the City of Ione are the Mayor and 3 Council positions. The Mayor's position is a two year term and the Council positions are four year terms. No person is eligible to any elective office for the City of Ione, who, at the time of his election, is not a qualified elector within the meaning of the State Constitution, and who has not resided in the City of Ione for one year immediately preceding the election. To be a qualified elector to sign the nominating petition, the elector must be registered at the Morrow County Courthouse. The deadline for filing petitions with the City Recorder is 2 p.m., Tuesday, August 26, 1980.

PUBLIC NOTICES

NOTICE OF MEASURE ELECTION MORROW COUNTY

Notice is hereby given that on Tuesday, September 16, 1980, an election will be held in Morrow County, Oregon. The polls will be open from 8 a.m. to 8 p.m. The following question shall be submitted to the qualified voters thereof:

SPECIAL ELECTION TO APPROVE TAX LEVY OUTSIDE SIX PERCENT LIMITATION

Shall the voters authorize Morrow County to levy \$1,073,224 outside the six percent limitation to balance the 1980-81 operating budget? The purpose of this measure is to provide funds to balance the county's operating budget for fiscal year 1980-81.

EXPLANATION OF PROPOSAL:

The county's levy has been reduced \$138,958 from the amount previously rejected by the voters. The proposed levy of \$1,073,224 is needed to balance the FY 1980-81 general county operating budget. The hospital levy has already received voter approval. Approval of this measure will result in an estimated tax rate of \$3.08 per \$1,000 of true cash value. All of the taxes levied will be financed partially by the State of Oregon under its Home Owners Property Tax Relief Program.

This legal notice is to be published in the Heppner Gazette-Times newspaper.

Where is it? **VOLKSWAGEN'S NEW PICKUP!** The steering wheel has to drive like a truck. It's built like a truck, but drives like something else. What's equally impressive is how good a pickup a VW Pickup is. It's the only truck in its class with a fully unitized body and double-wall bed construction for extra strength. And its heavy-duty suspension takes the tension out of hauling over 1100 pounds of stuff. So a truck is a truck, eh? Not if it's a Volkswagen Pickup truck. Then it's something else.
