Weston woman named 1980 Umatilla County Homemaker

Mrs. Frank Hendrix, Weston, was declared "Umatilla County's Homemaker for 1980" at special ceremonies at the county fair Aug. 7, announces Molly Saul, Extension home economist for Umatilla and Morrow counties.

Chairman of the Umatilla County Home Extension Advisory Council, Mrs. Roger Montee, Pendleton, made the presentation. This is the second year the council has presented this award to the person who earned the most points in the Home Economics Open Class Division at the Umatilla County Fair. The award was a pine needle basket, handwoven by Ruth Fletcher, Ukiah.

The award is based on the number of points earned for each blue, red and white ribbon received. Mrs. Hendrix earned more than double the number of points of any other open class participant. She entered items in the food preparation, clothing and handwork open class divisions.

Extension Home Economist Molly Saul points out that it isn't just the large number of entries that determines who will win this award. It is possible for a participant to enter a great many items, but receive few ribbon awards. Mrs. Saul reports that Mrs. Hendrix not only entered many items, but she also received blue or red ribbons for most of her entries.

Nominating petitions are available at City Hall, 188 W. Willow Street, Heppner, Oregon. Official terms expiring for the City of Heppner are the Mayor and four Council positions. The Mayor's position is a two year term, and the Council positions are three (3) four year terms and one (1) two year term. No person is eligible to any elective office to the City of Heppner, who, at the time of his election, is not a qualified elector within the meaning of the State Constitution, and who has not resided in the City of Heppner for one year immediately preceding the election. To be a qualified elector to sign the nominating petition the elector must be registered at the Morrow County Courthouse. With new laws governing the time sequence, and allowing time to certify with the county Clerk, the dead-line for petitions with the City Clerk is 6:00 p.m. Tuesday, August 26th, 1980.

Where is it? VOLKSWAGEN'S NEW PICKUP. The steering wheel has to drive like a truck? Certainly not on that brand new Volkswagen Pickup. What's equally impressive is how good a pickup a VW Pickup is. It's the only truck in its class with a fully unitized body and double-wall bed construction for extra strength. And its heavy-duty suspension takes the tension out of hauling over 1000 pounds of stuff.

So a truck is a truck, eh? Not if it's a Volkswagen Pickup truck. Then it's something else.
