NOTICE TO WOOD CUTTERS

Due to the widespread abuse of wood cutting privileges on Kinzua Corporation lands, we are forced to put new restrictions and tighter control for cutting on our lands. This also includes U.S. Forest Service Sale areas under contract to Kinzua. Permits will be issued, free of charge, for cutting up to ten cord of wood, for private use only. Patrols will be on these lands to check for permits and anyone found cutting without a permit will be prosecuted.

Kinzua ownership will be divided into eight areas, so a person should have a specific area in mind when applying for a permit. Name, address and license number of vehicle to be used must be on the permit and carried with you at all times when cutting and transporting wood. Area number and expiration date will be on the permit along with a list of rules and regulations.

COUNTY MEASURE

REFERRED TO THE PEOPLE BY THE BOARD OF DIRECTORS OF THE MORROW COUNTY SCHOOL DISTRICT

9 TAX BASE FOR OPERATING MORROW COUNTY SCHOOL DISTRICT'S EDUCATIONAL PROGRAMS

This measure will levy no taxes, instead it will establish a new tax base. If the measure is approved, the district could not levy a tax in excess of this base unless authorized by a vote of the people.

DISTRICT MEASURE

REFERRED TO THE PEOPLE BY THE BOARD OF DIRECTORS OF BLUE MOUNTAIN COMMUNITY COLLEGE DISTRICT

10 TAX BASE, PARTIALLY STATE-FUNDED, FOR COMMUNITY COLLEGE PURPOSES

QUESTION: Shall a tax base of $2,990,000 be established for Blue Mountain Community College District to be first levied in the fiscal year 1981-1982?

PURPOSE: This measure, to be effective July 1, 1981, partially financed by the State, authorizes Blue Mountain Community College to establish a tax base of $2,990,000, as provided under Article XI, Section 11, of the Oregon Constitution. The college does not have a tax base at the present time. Proceeds from the tax base levy would be used for vocational, lower division, adult education programs and services. YES ☐

EXPLANATION: The college has operated without a tax base since its formation in 1962. District voters have been asked each year to approve an annual levy for the college's operation. The college is now required by law to submit a tax base measure to the voters. The tax base amount of $2,990,000 is projected as the amount needed to finance a ten(10) percent increase in the General Fund Budget for 1981-1982. NO ☐

The approval of a tax base would provide an improved financial foundation for the college and permit existing programs to continue with efficient planning for classes and educational services. The tax base could be increased by up to 6 percent per year, but any increase above that amount would require voter approval. The college provides classes, workshops, etc. to approximately 6,000 different area residents each year. The tax base proposed would be partially financed by the State of Oregon.
