

Irrigon hosts exchange student

by Frances Rose Wilson

Pascal DeVillie of Brussels, Belgium, is making his home in Irrigon as a foreign exchange student. He is staying with Mr. and Mrs. Daryl Brownlee who have had several exchange students in their home. The exchange student last year was a girl from Norway.

Pascal is a graduate student attending Riverside High School. He attended an all boys school at L'allend where he learned to speak German, French, Latin and English as well as his native tongue, Flemish.

Pascal was born in California where his father went to college. The family moved to Belgium within three years. He has two brothers, Serge, 19, who is studying towards becoming a doctor, and Fabrice, 12.

Pascal plans to major in commercial subjects for four years in Belgium.

He says he would then like to further his studies at Stanford.

Like many young men, Pascal enjoys sports, especially water skiing, snow skiing, and skateboarding, but his favorite of all is gymnastics.

Airman Lucas home on leave

Airman Ty Lucas

Airman 1st class Tyrone Lucas, son of Linda Lucas of Heppner, is home on a month's leave after completing technical school as an ammunitions expert at Lowry Air Force base in Denver Colorado.

Airman Lucas, a 1980 Heppner High School graduate, joined the Air Force in July of this year. He will report for duty on Nov. 15 at Okinawa, Japan.

BMCC reps to visit lone, Heppner schools

Visits to area high schools by representatives from Blue Mountain Community College are starting now and will continue through December, according to Pat Loughary, dean of students at BMCC.

College representatives will meet with high school seniors to let them know about the programs and costs of attending Blue Mountain. During their visit, they make brochures and catalogs available to the students. A slide-tape show is also presented.

Loughary and GeneAnn McLean, student activities director, will make most of the visits. About 40 high schools in Eastern Oregon will be included in the program.

"The visits give the senior a realistic view of what college life is like at Blue Mountain," McLean said. "We give them tips on how to start school and prepare for registration at any college or university also," she added.

BMCC representatives will be at Lone High School at 11 a.m. on Nov. 24, and at Heppner High School at 1:30 p.m.
