\$8.00 in Morrow, Umatilla, Wheeler & Gilliam counties; \$10.00 elsewhere.

David and April Hilton Sykes, Publishers

What's your opinion?

Question: "If the hostages were released would it influence your vote in the Nov. 4 election?"
"No," said Bernadine Cannon, 29, of Heppner. "I don't think that Carter has handled the hostage situation right from the beginning. If they were released it wouldn't matter if they were released before or after the election."

Justice Court

Gerald Vincent Page, P.O. Box 771, Heppner, 1,700 tandem axle overload (vehicle owned by E.C. Bonner, Inc., Box 245, Heppner) - \$12 fine; Gary Gilbert Cronin, Main St., P.O. Norman Stanley Miles, Main and 'D' Streets, Heppner, no clearance lights - \$12 fine;

Letters to the Editor Make solar heat for pool a reality

To the Editor:

It has been called to the attention of some of our local citizens that the utilities to heat our city swimming pool are becoming prohibitive due to the inflationary cost of petroleum. This year's bill was approximately \$2,200.

At the same time it was learned that Condon, Oregon, was in the process of building a solar system for their own pool which is located on the public school grounds. Today their system is completed and from all indications it is a great success. The cost of this system was about \$20,000. Cost to the community of Condon was \$10,000. Grants were received in the amount of \$10,000.

Solar energy is one of today's answers to an inexpensive means of heating the environment in which we work and play. There are enough people in Heppner, including members of the Lion's Club, who want to see a totally integrated solar system which eventually may include a dome designed to cover the pool and built in such a way as to make it possible to have a year-round recreational area.

Members of the Lions' Club and students at Heppner Elementary School have become actively involved in

seeking further information, including the gathering of cost estimates to put a functional system together for the general public to use.

The Lions' Club and other concerned citizens in Heppner are interested in your ideas and input toward this worthwhile project. There is a very limited amount of money available at this time which could be used for the project. We, therefore, are open to any suggestions in regard to acquiring more financial backing.

We are convinced that if enough people in Heppner are for a recreational area backed up by solar heat, we will see this project become a reality within the very near future.

Interested citizens please make your desires and concerns known to one of the people below, or any member of the Heppner Lions' Club by Nov. 26, 1980.

We would propose forming a community committee to work on this project if the people of Heppner favor it. Community support and citizen action will be needed to make this proposal a reality.

Ron Furrar
Bill Helphinstine
Terry Hughes
Heppner Lions' Club

Conferences scheduled at schools

Gong Show set

A stripper, "Roaring '20s" flappers, singers and an "unknown comic" are all scheduled to appear on the "Gong Show" Nov. 10.

No, the acts won't be on the television; they're all a part of Heppner High School Band and Choir fund raiser. Proceeds from the event will go towards band honors and field trips.

Featured at the 7:30 p.m. program besides the stripper, flappers, singers and comic, will be the Heppner High School Band and Choir members, dancers, a barbershop quartet, and musical songs from the play "The Wiz."

Directors are Kitty Coon and Don Boyce; judges are Jim Bier, Jim Ackley and John Sporseen; master of ceremonies is Steve Curtis.

Cost for the show is \$1.50 for adults and 75 cents for children.
