

### Blue and Gold Banquet slated

A Blue and Gold Banquet has been scheduled for Monday, Feb. 2, at 6 p.m. at the Elks Lodge in Heppner for Boy Scouts and their families. Awards will be presented to the Scouts.

### Heppner News

Christopher Sykes celebrated his third birthday (Jan. 22) with a party at his home Saturday afternoon. Helping Chris celebrate with cupcakes and ice cream were his brother Andrew, Al, Tony, and Andy Burt and mom, Jo, Nathaniel Shelton and mom, Delores, Jonathan Metz and mom, Anne, and mom and dad, April and David.

Christopher also received birthday phone calls from his great aunt and uncle, Elaine and Elmer Becker of Yakima, cousins Jim, Alan and John Clay and aunt Ardeen, Roseburg, and aunt Vickie Lewis, Portland.

Sykes traveled to Portland to visit David's sister and brother-in-law, Vickie and Charlie Lewis, and their little boy, Max. David attended an advertising seminar at Portland State University on Friday and Vickie and April enjoyed a photo exhibit at the

Western Forestry Center on Saturday.

Had a party lately, traveled out-of-town or had visitors? Give us a call at the Gazette-Times, 676-9228, and we'll be glad to include it in the Heppner News.

## New family joins First Christian family

There's a new family joining the family of members at the First Christian Church in Heppner.

The Reverend Don Shelton, his wife Delores, both 26, and their children, Nathaniel, three, and Heather, one month, moved into the church parsonage the end of December. Heather was only four days old when they moved.

The Sheltons come to Heppner from Oroville, Calif., where Don served as youth minister for the Church of Christ since 1976. Don graduated from San Jose Bible College prior to his service with the Church of Christ. He was born and raised in Florence, Ore. Delores is originally from Eugene.

#### LISTENING POST SURVEY "Correctional Facilities"

The second in a series of Governor Atiyeh's Listening Post Program surveys has been announced and balloting is scheduled to take place during the week of Feb. 1-7, according to the governor's office.

The first Listening Post survey conducted in September, concerned child care and the current survey concerns correctional facilities.

The surveys, designed to provide the governor with feedback with regard to the opinions of Oregonians, has been mailed to around 2,000 citizens, individually and through clubs and organizations.

Survey questions and information follow:

"On August 22, 1980, Chief U.S. District Judge James Burns ordered Oregon Corrections officials to reduce the population of the Oregon State Penitentiary, the Farm Annex, and the Oregon State Correctional Institution.

"The citizens of Oregon are asked to voice their opinions concerning the over-population situation in our correctional facilities. Whether you agree with the Court order or not, clearly, action must be taken. (Among these options are reducing the prison population by further releasing prisoners, or construction of more facilities to house those in institutions)."

"Should more correctional facilities be constructed to house these prisoners, or should the prisoners be released to reduce the crowded conditions? No matter the alternative chosen, the taxpayers of Oregon will be asked to accept financial responsibility. These questions are vital in the decision making process that your representatives will be facing this legislative session."

"Below is a series of questions that we would like you to respond to."

1. Do you favor or oppose reducing the number of prisoners in correctional facilities by releasing them before they have served their full sentence?

2. If you oppose reducing the number of prisoners in correctional facilities by releasing them, are you in favor of regional institutions in which to lodge prisoners, or not?

Would you favor such a correctional facility in your community, or not?

3. Would you favor a major new correctional facility in Marion County, or not?

If you answered YES to Question 3, would you: (Check one)  
- Favor a correctional facility that would alleviate the current overcrowded prison population?

- Favor the construction of a facility which would serve a larger future prison population?

4. Would you favor or oppose money being spent on parole and probation?

5. Would you favor or oppose more money being spent on training facilities?

Which, if any, of the following would you say is the best means of deriving monies for correctional facilities? (Check one)

Income tax; Property Tax; Sales Tax; Bonding; Other (Explain)

Ballots should be returned to the Governor's Listening Post Survey, 160 State Capitol, Salem, Ore. 97310, by Feb. 28.
