## CowBelles, Beef Council, Les Schwab sponsor beef-tire promo Fri., Sat.

The Morrow County CowBelles will be on hand at Les Schwab's Tire Center in Heppner Friday and Saturday, Feb. 6 and 7, from 1 p.m. to closing to pass out free samples of Hawaiian meatballs.

The free goodies are part of the 17th annual beef promotion program sponsored by Les Schwab Tire Centers, the Oregon Beef Council and the Oregon CowBelles. The program includes giving free beef gift certificates with the purchase of Les Schwab tires. Les Schwab recently purchased nearly \$50,000 in beef certificates from the Oregon Beef Industry to give away during the promotion.

In announcing the promotion, Donald Ostensoe, manager, Oregon Beef Council, said that "during the past 16 years the Les Schwab Tire organization, headquartered in Prineville, has purchased more than five-hundred thousand dollars in beef certificates for their annual tire promotion. The Beef Council and the Oregon CowBelles are most pleased in working with this Oregon industry in helping to publicize and promote beef gift certificates and beef products in general."

The beef certificates will be given with the purchase of two or more new passenger or pick-up tires or four Les Schwab passenger or pick-up retreads and can be used toward the purchase of beef at any business house in the meat business. This year's promotion will provide an added value to the customer as the tire firm has increased the value of each free certificate from \$5.00 to \$7.50. The certificates may also be used as premiums on gifts. Last year the tire firm gave away over \$65,000.00 in free beef in

Oregon, Washington and Idaho.

Les Schwab stated he feels this year's promotion will be the company's largest promotion. Recent expansion in the

Northwest now gives the tire firm over 100 locations in Oregon, Washington, and Idaho that will be promoting the beef certificates with the purchase of tires February 1 through February 28.
