Changes made on fair book

This year the Morrow County Fair Book will be published by the Heppner Gazette-Times, in a newspaper-type tabloid form rather than in book form.

The new Morrow County Fair Committee and their superintendents have been working on the book, deleting some parts in some departments and adjusting some of the premiums.

The deadline to turn in these adjustments will be March 15, in order that proofreading may be completed and any changes made.

Sports eligibility rules to be discussed

Discussion on a proposed district-wide eligibility policy will be taken up by the Morrow County School District board of directors at its next meeting Monday night, Feb. 16.

Some work has already been completed on the policy, which would lay down academic and other standards required of students participating in athletics and other "outside" activities, however, the board has yet to take any action on the matter.

The meeting will take place at 7:30 p.m. at Heppner Elementary School.

RC&D annual meeting slated

A Columbia-Blue Mountain Resource Conservation and Development annual meeting will be held at Columbia Inn at McNary on Feb. 20 at 10 a.m., President F.K. "Woody" Starrett has announced.

The meeting will adjourn at 3 p.m. A no-host luncheon will be available at noon.
