Bill Penny	Secretary
Al Osmin	Treasurer
Gene Sturtevant	Project Coordinator

MORROW COUNTY COURT

Dor McElligott	County Judge
Warren McCoy	Commissioner
Dorothy Krebs	Commissioner

Morrow S.W.C.D. Annual Accomplishment '80-81

Timber is a large part of the total resource base in Morrow County. Managing this resource is an important undertaking. The Oregon State Department of Forestry assists land owners in managing their timber resources through timber management plans. This year the State Forestry Dept. has developed a timber management plan for one landowner for a total of 848 acres.

Precommercial thinning is one forest management practice used to increase wood fiber and forage production. Morrow County's Agricultural Conservation Program has provided an incentive to four landowners to do precommercial thinning for a total of 46 acres and for one landowner to plant tree seedlings on fourteen acres.
