

**Cattlemen's head talks with Agriculture Sec.**

Ray French, (left) Heppner, president of the 3,200-member Oregon Cattlemen's Association, visits with new Secretary of Agriculture John Block at the National Cattlemen's Association's annual meeting in Phoenix last month. French said that he was most impressed with the new secretary and said that it appears there will be a complete change in attitude by the USDA toward American agriculture. In French's opinion, it would be the kind of change that most farmers and ranchers in the U.S. have wanted for some time.
