

Murray to represent Heppner in Mr. Oregon Teen program in June

John Murray

John R. Murray, son of Mr. and Mrs. Rod Murray, and a student at Heppner High School, has been selected to represent Heppner in the 1981 Mr. Oregon Teen Program to be held June 19 and 20 in Eugene, Oregon.

Seventy-five young men from throughout the state selected to participate will take part in a variety of social, recreational and fellowship activities during the two-day event. Participants were selected on a basis of achievements in scholastics, athletics, and a service to school and community as well as personality and general teen image.

Official charity of the program is "Youth vs Multiple Sclerosis" and each state participant will have the opportunity to participate in a "Strike for MS" bowling event which is part of planned program activities. In addition each participant will have several coin canisters

distributed in the community and local contributions donated will go towards general research, public awareness, and patient services for multiple sclerosis. The participant turning in the highest coin

cannister total will receive the State Community Support Award.

The program is presently in its eleventh season and has been unique to Minnesota. Activities will now become a

national program as 100 outstanding young men from throughout the nation will be selected to take part in the second Mr. U.S.A. Teen Program which will be held in Bloomington, Minnesota, Aug-

ust 8-16. Oregon with its first state program will be represented at the national event by the young man selected as Mr. Oregon Teen during the conclusion of state program activities.
