

### Ione Clean-up in full swing

This weekend, April 10, and 11 marks the final days of the community-wide effort to clean up Ione.

Members of the local Garden club and the other sponsoring organizations urge everyone to help beautify the city by getting out and helping pick up and clean up.

A volunteer crew will be out this weekend to help haul away those over-sized items that the city crew can not usually collect, old washers, refrigerators, etc. You can make arrangements to have these items picked up by calling either 422-7142 or 422-7181.

For all of the lawn clippings, and garbage bags of accumulated debris that you have around your yard, everyone is urged to have them set out early Friday morning, and the crews will be around.

### 4-H Horse Members' workshop registration April 20

Lectures, seminars, laboratory sessions and field trips are all scheduled as part of the 1981 Oregon 4-H Horse Members' Workshop at Oregon State University June 15 - 20, according to John Nordheim, Morrow County Extension agent.

The workshop will be held at the same time as 4-H Summer Week on the Corvallis campus. However, 4-H members and leaders attending the workshop will be housed together and follow a separate program, Nordheim explains.

The horse workshop is sponsored by the OSU Extension Service in cooperation with the departments of animal science and crop science and the new School of Veterinary Medicine.

The program is designed to give 4-H members and leaders a greater understanding of horse management, nutrition and animal health which they can share with others in the county, points out Duane Johnson, Extension acting state 4-H program leader. The workshop will give young people a look at career possibilities as well.

Up to 80 4-H members and 10 leaders may attend the workshop which costs \$90 per person. The 4-H members must be sophomores, juniors, or seniors in high school. Persons interested in attending must have their applications in the county Extension office by April 20.

Coordinator of the horse members' workshop is Nancy Berg, 4-H leader from Albany, who is working with the OSU faculty in arranging the program.

Additional information about the program, as well as application forms, are available at the county office of the Extension Service in Heppner, or by calling 676-9642.

### Roller rink managers to continue till June 22

Roller rink managers Bill and Connie Ford of Pendleton, have reinstated their agreement to continue running the roller skating rink at the Morrow County Fairgrounds in Heppner until June 22, it was announced recently.

Skating is held on Saturday evenings from 6:30 to 10:30 p.m. with two sessions. There will be no skating during Junior Rodeo June 5 - 7.

Also Fairgrounds have posted signs for 'no overnight parking unless permission has been granted. These signs do not apply during rodeos or fair. The caretaker says that many vehicles have been left parked overnight and that he has been locking gates every night, as part of his job. Call for information at 676-5159.

Please remember that with the wind blowing, you'll want to be sure that your pile of collectables doesn't get a head start on the pick-up crew.

The average pencil will write about 30,000 words in its lifetime.

### Skating time April 11 for Camp Fire

All of the area members of Campfire, Blue Birds and Blue Jays are invited to attend a skating party this Saturday, April 11, at the Heppner Fairgrounds.

Leaders and area coordinators have worked hard to put together an afternoon of fun for everyone in this area, and it is hoped that all you Blue Birds, Blue Jays, and

Campfire kids through 6th grade will come and join the fun. The price will be \$1.75, which will include skate rental. Leaders have transportation in hand.

### Engagement announced

At an informal dinner party, Saturday, April 4, Richard Paine and Judith Paine announced to friends, their engagement to be remarried.

A summer wedding is being planned.
