

Lone United Church of Christ prepares for annual auction

Bill Rietmann, lone, is beginning to collect merchandise for the Lone United Church of Christ's eighteenth annual barbeque and auction.

One of the early items to come in is a Sears ride-on lawn mower donated by Mr. and Mrs. Fred Nelson. The mower has a new motor and has been completely reconditioned throughout. The mower, along with many other items, will be sold at the outdoor auction to be held at the Willows Grange Hall on Saturday, June 6.

The Rietmann and Nelson families are two of many families within the church who have worked on this annual event since it was started in June of 1963.

Bill has served as merchandise chairman each year and Fred has been in charge of cooking the pit-barbequed beef which is served at the dinner. These families are busy again with preparations for the day. Bill will appreciate receiving calls from any one who wishes to donate merchandise. He may be reached at 422-7296.

Local hits \$1,000 jackpot

Jo Huston

Jo Huston, 215 Baltimore in Heppner, hit the jackpot recently - and she didn't even have to go to Reno.

Jo won \$1,000 in a Scott Paper Towels Sweepstakes contest, which she entered by clipping and mailing a seal from a package of the towels.

Jo entered the contest in March and last Friday she received a \$1,000 check in the mail.

"This is the first one I've ever won," she said of the contest. Asked what she would do with the money? "I'm going to put it in the bank. I've got a daughter in college."

Former Irrigon man guilty of theft

An Ontario, Oregon, man, Oliver L. Carver, was fined \$250 and ordered to pay \$900 restitution to the Forest Service by a federal magistrate on April 9.

Carver, who plead guilty to the theft of 297 poles from the Umatilla National Forest, sold the poles to a local mill. The

theft was discovered in July of 1980, while Carver was living in Irrigon, Oregon. He left the area before the case could be heard in Federal Court, according to a Forest Service news release.

It is illegal to sell poles obtained on a National Forest unless one has a commercial permit.

Babylonian and Roman warriors are believed to have spent several hours before doing battle having their hair lacquered and curled and their nails and lips painted matching shades.
