

Headlines in error

Two headlines in last week's Gazette-Times were in error. The Morrow County Mental Health Clinic may suffer \$4,700 in budget cuts if a 10 percent budget reduction in state monies should occur, not \$14,700 as stated in the headline.

Zetta Hager Brosnan's name was misspelled in the headline "Zetta Hager Brosnan - long time Morrow native."

Dedication of MOD-2 slated

By MARY ANN CERULLO

A dedication of the Mod-2 wind generators at Goodnoe Hills, Washington has been scheduled for Friday, May 29 at 10 a.m.

Morrow County Court received a formal invitation to the ceremony last Wednesday and agreed to attend.

The Mod-2 generators, centered in Goodnoe Hills near Goldendale, Washington are the biggest windmills in the world, stated Noreen Leary of Bonneville Power, during an AAUW Energy Fair in Heppner last November.

According to Leary, the Mod-2's could become a significant source of energy for the northwest in the 1980's.
