NOTICE OF MEASURE ELECTION MORROW COUNTY

Notice is hereby given that on Tuesday, June 30, 1981, an election will be held in Morrow County, Oregon. The polls will be open from 8:00 a.m. to 8:00 p.m. The following question shall be submitted to the qualified voters thereof:

ADDITIONAL SERVICES LEVY OUTSIDE THE SIX PERCENT LIMITATION

SHALL THE VOTERS AUTHORIZE MORROW COUNTY TO LEVY \$40,778 FOR A SHERIFF TRANSPORT DEPUTY AND A BUILDING INSPECTOR?

Purpose

The purpose of this measure is to provide funds for one additional deputy and a transport vehicle for the Sheriff's Department and the hiring of a building inspector for the Planning Department.

Explanation

If you vote yes, the County will hire one additional deputy sheriff and buy a mid-size vehicle suitable for transporting prisoners. Since Morrow County does not have a jail, prisoners must be lodged in Pendleton.

The addition of a Building Inspector would greatly increase the service available to the public from the Planning Department. The fees

PUBLIC NOTICES

collected for the service should meet most of the expense involved. The "A" ballot must pass for this measure to be valid.

The cost of these two additional services and the vehicle plus the 10 percent added amount for uncollected taxes will be \$40,778 totally financed by local taxpayers and will result in an estimated tax rate of \$.07 per \$1,000 of assessed value.

This legal notice is to be published in the Heppner Gazette-Times newspaper.

NOTICE OF MEASURE ELECTION MORROW COUNTY

Notice is hereby given that on Tuesday, June 30, 1981, an election will be held in Morrow County, Oregon. The polls will be open from 8:00 a.m. to 8:00 p.m. The following question shall be submitted to the qualified voters thereof:

SPECIAL ELECTION BALLOT - THREE YEAR ROAD SERIAL LEVY

SHALL THE VOTERS AUTHORIZE MORROW COUNTY TO LEVY A THREE-YEAR ROAD SERIAL LEVY OF \$4,966,653 OUTSIDE THE CONSTITUTIONAL LIMITATION?

Purpose

The purpose of the measure is to provide \$1,655,551 per year for three years to reconstruct major arterials and heavily used secondary county roads.

Explanation

Morrow County citizens have requested the County Budget Committee to submit a three year road operating serial levy to the voters in the amount of \$4,966,653. The annual levy will be \$1,655,551 per year. This serial levy for county road reconstruction has been reduced by \$3,601,347 or \$1,200,449 per year from the original proposal. The progressively deteriorating condition of county roads and further delay in major repair increase the risk of substantial cost escalation. This money will be used to match FAS funds, purchase needed equipment and, by request of the County Road Advisory Committee, to contract major construction projects. A percentage of this, by statutes, will go to the cities. If this measure is approved \$4,966,653 will be totally financed by local tax payers and will result in an estimated tax rate of \$2.85 per \$1,000 assessed value for fiscal year 1981-1982.

This legal notice is to be published in the Heppner Gazette-Times newspaper.

To have friends with which to share life's happy and exciting events such as weddings, births, birthdays, etc. makes these events memorable and more enjoyable. And while nothing can make an unhappy experience enjoyable, friendship can at least make it less painful. The last few weeks we have experienced such friendship. It is hard to express how one feels in the face of such a wonderful show of concern. To just say thank you seems so inadequate. However we wish to thank each and everyone of you who has helped us. Special thanks to Al Lovgren, Buzz and Kate Lynch and the people at Cal's Lounge, Hutch's Helper and to Barb and Leland Ansozotegui. Thank you so much for your generosity and for your friendship.
