There were 29 buyers and 45 consignors represented at Thursday's sale.  
 Market Trend: The supply of cattle was light here as elsewhere in the northwest. While the number and quality of light feeder cattle was to light to accurately test the market, it does indicate the increased selectivity of the buyer in this weight class. The market held steady to strong on fat cattle and slaughter cows.  
 Next Sale: Thursday, July 9th at 12:30 p.m. There will not be a sale Thursday, July 2nd.  
 All consignments welcome - phone 963-2158.  
 Thank you, John B. Kirby
