ONE-YEAR LEVY FOR GENERAL ROAD REPAIR AND MAINTENANCE
Morrow County, Oregon
Combined Precincts No. 2, 6, 7, 8 & 9 — Heppner
Tuesday, September 15, 1981 from 8:00 a.m. to 8:00 p.m.

Mark a Cross (X) or a Check Mark (✓) in the voting square before the word "YES" or before the word "NO" for the answer voted for.

QUESTION
SHALL THE VOTERS AUTHORIZE MORROW COUNTY TO LEVY \$525,000 FOR ONE YEAR FOR REPAIR AND MAINTENANCE OF COUNTY ROADS?

PROPOSAL
The purpose of this measure is to provide special funds for one year, that is to supply \$375,000 for match money with the State of Oregon to do necessary construction work on two and one-half miles on Bombing Range Road, and to make available \$150,000 for purchase of asphalt and other needed supplies for effective road maintenance.

EXPLANATION
If you vote yes, the County will have needed match money to enter into a work agreement with the State of Oregon to complete the rebuilding of the remaining two and one-half mile strip of Bombing Range Road. The State will do the work and provide the rest of the needed funds. In addition, the County will have funds to purchase asphalt and other supplies to do general maintenance work on other county roads. The progressively deteriorating condition of County roads makes it imperative that they receive some treatment to avoid further damage.

If this measure is approved it will result in an estimated tax rate of \$0.91/1000 of assessed value for fiscal year 1981-82.

 NO I VOTE AGAINST THE TAX LEVY

Census from p. 1

people have been immunized against selected diseases, Leo C. Schilling, director of the bureau's regional office in Seattle, announced recently.

The survey is conducted throughout the U.S. every year to provide information on immunization against measles, influenza, polio, diphtheria, whooping cough, tetanus, rubella, and mumps needed for administration of health programs geared to disease prevention. These health questions are in addition to the usual ones asked in the monthly survey on employment and unemployment conducted nationwide by the bureau for the U.S. Department of Labor.

Personal information supplied in the survey is kept strictly confidential by law and results are used to compile statistical totals.
