Ione Cards battle Echo to win 40-26

By MICHELLE LARUE

The Cardiac Cards are back! The Ione Cardinals spotted the visiting Echo Cougars an 18-0 lead in the first quarter and then came roaring back to take a 20-18 lead at half-time and then went on to win 40-26.

For the Cardinals it looked like Murphy's law was in effect in the first quarter. "Anything that can go wrong will go wrong," and it did. The Cougars scored first when the quarterback Denny Starr was tackled in his own end zone for a 2-point safety. In their second possession the Cards were unable to move the ball and on fourth down the ball was snapped over Craig Gutierrez's head who recovered in the end zone for another safety.

Echo's first touchdown came on a four-yard touchdown run by Andy Saylor. The extra point was good on a pass from Correa to Brown. That ended first quarter action with the Cards down 12-0. Saylor again scored on a four-yard run in the early minutes of the second quarter, to put the Cougars up 18-0.

Ione's first touchdown came on a 45-yard run by Jeff Hams. The pass for the extra point failed. The Cardinal defense stiffened and on fourth down Hams again put the Cards on the scoreboard with a 59-yard punt return. Howard Leavitt ran for the extra point, to make the score 14-18.

Heppner Fillies begin '81 season at slow pace

By CINDI BERGSTROM

The Heppner Fillies started the '81 season at a slow pace. The varsity girls have played three games losing two while the J.V. girls have won all of their games.

The last game was held Saturday, Sept. 26 against Wasco County. The girls couldn't keep the game rolling.

The team showed good individual efforts but can't yet play as a hardworking team. The game scores were 15-9, 4-15 and 8-15. Dawna Devin was the top server.

The game against Sherman County was a winning one for the Fillies. This was their only victory this season. The lead-

Jones' third touchdown came when quarterback Denny Starr snuck in from two yards out. The run for the extra point failed. As the half ended, the teams went to the locker room with the Cardiac Cards leading 20-18.

The Cardinals drew first blood in the third quarter as Starr hit Tim Patton with a 12-yard touchdown pass. The run for the extra point failed and the Cards were up 26-18. But the Cougars were not finished as Shane Correa hit Saylor with a 32-yard touchdown pass. Justin Harvey ran in the extra points to knot the score at 26-26.

The Cards however, were not to be denied as Howard Leavitt broke away on a 53-yard touchdown run. Hams ran it in for the extra points to make the score 34-26. The Cardinal defense again shut down the Cougar offense and on Ione's next offensive possession Leavitt broke away for a 38-yard touchdown run to close out the scoring. The final score showed the Cardinals with a 40-26 victory over the Cougars.

Ione lead in the rushing department with a total of 271 yards compared to Echo's 107. In the passing department Echo threw for 107 yards and Ione for 89. Leading rusher for the Cardinals was Hams with 137 yards followed closely by Leavitt with 129 yards. Leading rushers for Echo was Saylor with 43 yards and Harvey with 37 yards.

Howard Leavitt goes for the pass

The Cardinals were again plagued by mistakes, as they were in the first game, as they had 86 yards in penalties and lost four fumbles.

Next action is on Friday,

October 2. Kick-off time will be at 1:30 p.m. at Cascade Locks.

Ore. Transportation Comm. adopts temporary rule

A temporary administrative rule prohibiting certain activities on the state highway right of way was adopted recently by the Oregon Transportation Commission.

The rule would prohibit such activities as lighting of fires; depositing refuse of any kind, except in designated containers; camping or staying overnight, or any establishment of occupancy or of a residence, whether temporary or permanent; and erection of any building or facility, including, but not limited to tents, shacks, lean-tos, stands or shelters of any kind.

Problems brought to the attention of the Highway Division of transients in the Portland area living in unsanitary and unsafe conditions led to the action. In some cases, materials constituting a fire hazard have accumulated under highway structures, and in others, access to these areas is across busy freeway lanes.

The action does not apply to rest areas. Violations could subject the individual to a possible citation for criminal trespass under state statutes.
