

# Mustangs end Homecoming with a BANG, add Pilot Rock to victories

By ANNE MURRAY

The Heppner Mustangs added another victory to their list as they trampled the Pilot Rock Rockets 43-0, Friday night, Oct. 23, at Heppner.

The Mustangs' victory put the finishing touches on Homecoming week.

The Mustangs' defense made it possible for Earl Hammond to score the first two Mustang touchdowns. The first touchdown came from six yards out. Then Hammond came back with a five yard scramble to the endzone, this put the Mustangs on top 14-0 at the end of the first quarter.

The Rockets offense had a hard time getting started against the Mustangs' defense. Whenever the Rockets could get something generated, the Mustangs would end up with the ball, either by fumble or interception. The Mustangs proved this point by intercepting five passes and recovering five fumbles.

During the second quarter, Hammond handed the spotlight over to senior tailback John Murray, who then proceeded to score three touchdowns. The first of which was from 25 yards out. Murray then followed up with a 58 yard jaunt to the endzone.

Murray then took a break from the scoring action, as Mike Currin came into the scene, but Currin did his thing on defense. Currin trapped Rick Martinez in the endzone for a safety and two points.

Murray then came back to finish the work. This time Murray scored on a three yard dash into the endzone. By the end of the third quarter the Mustangs were leading the Rockets 35-0.

The Mustangs weren't quite finished scoring as was proved by freshman, back-up, quarterback Todd Miller. Miller dove one yard into the endzone Jeff Orr then ran into the endzone for the two point conversion.

The Mustangs were led in rushing by Murray who had 162 yards on 13 carries. Hammond carried nine times for 53 yards, sophomore Sid Kennedy rushed 33 yards on five carries.

Currin led the Mustangs' defense with 14 points, according to the Heppner coaches defensive rating system. Lee Rice followed close behind with 13 points. Bruce Way was also in double digits with 10 points.

Coach John Sporseen commented after the game, "We played an excellent overall

# YOUR OPINION

about the  
PRELIMINARY Six-Year Highway Improvement Program

Tues., Nov. 3, Science Test Rm. 306, Hermiston High School, Hermiston

Declining revenues and federal-aid cutbacks have forced the Highway Division to reduce its construction program and postpone many improvement projects. Transportation officials will describe the projects listed on the proposed six-year program, and seek your comments about them. If you are concerned about the condition of the State Highway System in your area, don't miss this opportunity to make your views known.
