First Christian to feature special speaker Sunday

This Sunday, Dec. 6, Willie White will be speaking at the First Christian Church during the Sunday school and morning worship hour, reports the Rev. Shelton.

Mr. White is the former director of the Oregon Christian Evangelistic Fellowship, an organization designed to help start new Christian Churches, and Churches of Christ in the state. He recently retired from that

organization and began a ministry as a speaker for the Christian Church Extension Foundation. The Extension Foundation is an organization in which people may invest money to help finance new church building projects. He is also very active in evangelistic meetings throughout the west.

The community is invited to attend the 11 a.m. service, said the Rev. Shelton.
