

### M.C. School Dist. to sponsor training course

Morrow County School District will sponsor a Junior Great Books Basic Leader Training Course at Sam Boardman Elementary School

on Friday and Saturday, December 11 and 12. The course is scheduled to start at 4:30 p.m. on Friday and at 9 a.m. on Saturday, said a news

release from Morrow County School District.

The course is intended to prepare teachers to lead Junior Great Books discussion

groups which are designed to develop students' ability to

read interpretively, to think reflectively, and to enjoy literature. The program teaches young people to form-

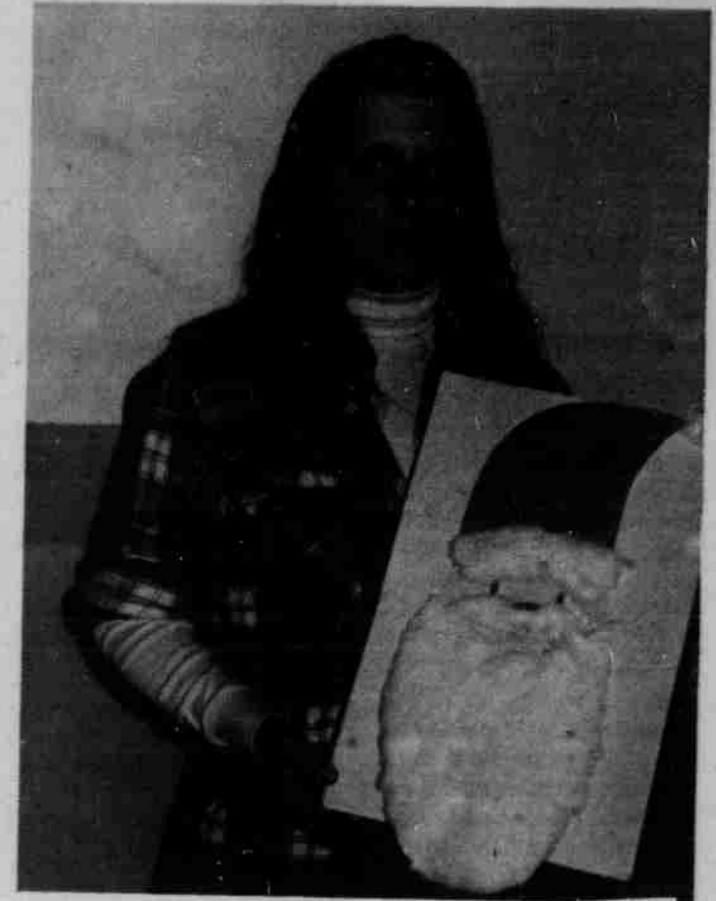

ulate and ask questions as well as answer them. Students are encouraged to discuss what genuinely puzzles them in what they read, the news release continued.

Approximately 25 teachers will take part in the class. Some space is still available for additional registrations. Information about the class may be obtained from Jane Anderson at Sam Boardman Elementary Schools, 481-7383, or John Edmundson at the School District Office in Lexington, 989-8202.

## Santa's Workshop — A G-T holiday feature

(Editor's note: Beginning Thanksgiving week and continuing through the December 24 issue, the G-T will publish Santa's Workshop as a special holiday feature for our readers. Each week a G-T staff member will give instructions to make a Christmas ornament or craft. Some projects will be primarily for children, others are for children and adults.

From us to you, Happy Holidays.

Gift box decoration from Mary Ann Cerullo, reporter, proofreader, layout, advertising

The idea of a gift box decoration began between my grandmother and a close friend before I was born. My grandmother's friend made the decoration one Christmas and for years afterward the two women gave each other gifts using the decorated box.

Materials needed: roll of cotton, construction paper, scissors, crayons or colored pencils, and glue.

#### Instructions:

- 1 - Cut the shape of Santa's hat from red construction paper.
- 2 - Glue the hat to a sheet of pink or flesh colored paper.
- 3 - Cut out a beard and moustache from the cotton and glue it to the flesh colored paper to begin forming a face.
- 4 - Cut strips of cotton and attach them to Santa's hat and to his face as eyebrows.
- 5 - Take a tuft of cotton, roll it into a ball and glue onto the tip of the hat.
- 6 - Cut a small oval shape in a piece of red paper to use as Santa's nose.
- 7 - Glue the nose just above the moustache.
- 8 - With a pink or red crayon or pencil draw in a mouth under the moustache.
- 9 - Draw in two round eyes with a black pencil or crayon.
- 10 - Cut off the excess pink paper so only Santa is left.
- 11 - Glue Santa onto a neutral shade of paper.
- 12 - Glue the whole thing to the top of a gift box.

For variation, one can also make an angel using cotton for the wings or even a Christmas tree just using different colors of construction paper.

The gift box decoration would be a fun Christmas project to do with children when gift wrapping time draws near.

### First aid course scheduled

Morrow County Search and rescue will sponsor a multimedia first aid course Tuesday and Wednesday, Dec. 15 and 16. The class will be held at Heppner High School in room seven at 7 p.m.

The course is for those interested in obtaining a Red Cross first aid card for the first time and for those who need their cards renewed, said a Search and Rescue spokesperson.

### Wranglers slate Xmas party

The Wranglers will hold their annual Christmas party on Sunday, Dec. 13, 6:30 p.m. at the fairgrounds.

Dinner will be potluck and an election of officers will be held, said a spokesperson.

Santa will be on hand and children under 12 are asked to bring a gift marked 'boy' or 'girl' for a gift exchange. Everyone is invited to attend.

### DMV schedule

The Motor Vehicles Division at 278 Main Street in Heppner will be open throughout December, Monday through Friday from 8 a.m. to noon and 1 to 5 p.m. except for the following days:

- December 16 - Condon office open, and
- December 25 - Christmas.

### METRIC MEASURES

Helpful Information From The U.S. Metric Board

Q. Does the U.S. Metric Board have a consumer policy?

A. While the Board has no regulatory powers it does closely monitor conversion activity to protect consumer rights and it will call questionable practices to the attention of the appropriate authorities. Consumers also have their own representative on the Board.
