Searching

To the editor:
The American Legion is searching for members of the senior drum and bugle corps that performed in past years. Some of the groups were: The Pendleton Cowboys, the Portland Police Corps., the Astoria Royal Chinooks, the National Champion Corps of 1959, the Salem Indians, and the Portland Leathernecks. There were many other units. All are being asked to gather in Albany during the Department Convention, to be held June 24 through 26. Also, those who might want to take part in a marching demonstration, a part of the convention drum and bugle show, are invited to the convention city the week end of June 19 to rehearse.

Reunion plans include special housing and headquarters with a dugout at the VFW hall. Memorabilia will be displayed with tapes, movies, and slides of old senior corps in action. Already the committee has pictures, uniforms, and instruments from other days. There will be a banquet with all sorts of awards. Other special activi-

ties are planned. Those attending do not need to be convention delegates or guests, but must register for the reunion.

The American Legion drum corps program is one of the oldest. In early years nearly every post had such a team, with only legionnaires allowed. In later years others were recruited to play. Probably they were first to include women as participants. In 1932 the national champion North Dakota corps had a beautiful drum majorette. This was a convention held in Portland. Since there was no contest rule against women, the corps was probably responsible for women being a part of both the drum and bugle corps as well as high school and college bands.

Those interested in attending can contact any local Legion Post for information, or write to Martin Brouwer 2723 N. Willis Blvd., Portland, Oregon 97219, or phone, (503) 289-1456.
