

Pomona Grange meets

By DELPHA JONES

Wheatland Pomona Grange met at the Willows Grange Hall in lone on Saturday for a regular meeting with the Master Rolland Johnson in the chair.

Distinguished guest Berl Akers, a member of the State Executive Committee was escorted to the master's station and introduced. Other honored guests escorted to the master's station were Joe DuPuis, member of the state energy committee and master of the Umatilla County Pomona Grange and Dorris Reid, newly appointed District No. 6 CWA chairman.

Others introduced were Barton Clark, member of the State Agricultural Committee, Dot Halvorsen, newly appointed Morrow County CWA Pomona chairman and Delpha Jones, newly appointed Wheatland Pomona deputy.

Masters present that were introduced were Annabelle Yeagger of Mikkalo, Vernon Root, Rufus, Martha Baker, Greenfield and Delpha Jones, Lexington.

Roll call found the steward and one ex-committee member Dorris Graves absent. Vernon Root was named pro tem steward.

Good officer reports were heard. Many officers had attended the installation ceremonies at Lexington, CWA conferences and other granges. Two officers had attended National Grange in Spokane with other members of Pomona. The CWA chairman received several good reports that most clubs are promoting the deaf program, saving hearing aid batteries and working for nursing homes. One club made 51 lap robes for a nursing home and some gave money to the State Hospital in Pendleton and various nursing homes. All clubs are accomplishing many things.

Vernon Root gave an interesting talk on soil erosion in our district. This is a concern of most farmers and much is being done to help the problem such as rough summer-fallow, spraying stubble, terracing and diversion ditches, among other methods. The wheat program for next year is reported at 15 percent set aside, \$4.05 target price, and loan rate \$3.55.

There was much discussion on the electric rates and the long range plans for electricity. Joe DuPuis told of a program called Lifeline, for elderly on low incomes. The program is to offset their electric expenses. Different ideas were brought to light with the main thought being, "We must study this problem and plan for the future." A report was heard on how the high cost of electricity effects corn growers in the middle states, and their many problems, all similar to the local farmers.

Resolution committee members appointed were Annabelle Yeagger, Cecil Jones and Berl Akers.

A lovely turkey dinner was served at noon by the ladies of the Willows Grange.

Starting the afternoon session was a cake walk, followed by the installing of officers who were not installed in December. The following were installed: Overseer, Barbara Cutsforth; Chaplain, Mildred Wright; Pomona, Stella Palmer; Flora, Nila Knighten; and Mary Wilkins, executive board member. The installation was performed by Rolland Johnson who was

assisted by Kenneth and Frances Smouse.

The lecturer presented a lovely candlelight ceremony in which each officer of Pomona lit a candle in honor of the various courtesies that the members owe each other and the order. A prayer for the grange, concerning what it stands for and its

success and guidance in further years was said.

A skit, "In a pinch," with members Margaret and Berl Akers and Martha Baker was enjoyed, and readings by Kenneth Smouse, Barton Clark, Frances Smouse and Adeline McDonald were also enjoyed.

The master announced the appointment of the following committee chairmen: agri-

culture, Vernon Root; legislative, Dorris Graves; energy, Barton Clark; and CWA, Dot Halvorsen.

The Chaplain reported cards had been sent to ill and shut-in members.

The county deputy reported that there were six reports received. The reports showed the granges are "holding their own" in this district as far as

membership is concerned. However, members are always needed.

The memorial which is usually held in April will be held in June at Rhea Creek Grange. Rhea Creek announced that their CWA meetings are scheduled for the second Thursday of each month. Greenfield announced that their CWA meetings are held the first Wednesday of each

month and Grange on the second Monday of each month.

The resolution committee reported the resolution on associate membership which would effect grange insurance and grange membership was brought before the floor for discussion. It was decided by the group through a vote to pass the resolution.

Dorris Reid told the group of

contests sponsored by the CWA for men and women and urged that the granges all study their handbooks and take part in as many projects as possible.

Joe DuPuis and wife Mary, each invited the grangers to visit Umatilla County Pomona and to visit Stanfield Grange at any time.

Nathan Thorper, master of Columbia Grange, told the

group that it was nice to visit Morrow County Pomona, renew old friendships and see neighbors and friends. He and his wife invited all to visit their grange.

All the visitors thanked Willows for the fine dinner and hospitality and the meeting closed at 4:15 p.m.

The next meeting will be held Saturday, April 24 at Rufus.
