Soroptimists hold nursing home party

By JUSTINE WEATHERFORD

On Friday afternoon, February 13, members of Soroptimist International of Heppner took their annual Valentine Party to Pioneer Memorial Hospital's Nursing Home. Members of the group prepared the goodies which were served to elderly residents by members Gail Burkenbine, Avon Melby and Mary Goheen.

Soroptimist Ola Mae Groshens delighted everyone with her lively piano music. She played any selection requested. Decorations for the party were contributed by elementary school children. The lovely, pink topped angel cakes were greatly enjoyed by all.

and son-in-law, Mr. and Mrs. O.W. Cuisforth and other friends in Heppner and Lexington.

Mr. and Mrs. Dean Hunt have returned home from a well earned vacation which took them to southern California, Yuma, Arizona, Mexico, Utah and Nevada. They reported two fun-filled days in Mexico, but remarked on the poverty in that country.

Lexington Grange met on Monday evening for a regular meeting. A potluck dinner was

enjoyed, after which the lecturer had several members take part in a game with Glover Peck winning the prize. A panel was appointed to speak on the pros and cons of Morrow County building a jail. It seemed as if the opinion was to build the jail, but to dispense with the things that the citizens consider luxuries and build with the necessities. There were several resolu-

tions discussed and the resolution committee of Lyle Peck, Cecil Jones, Barbara Bloodworth and Charles Buchanan were appointed to have the resolutions ready for the next meeting. There were 25 members present.

Mr. and Mrs. Cecil Jones visited Greenfield Grange at Boardman on Monday of last week. A potluck dinner was enjoyed and a business meet-

ing followed. On Tuesday they visited Stanfield Grange and reported a fine evening. Wednesday, the Jones visited at Willows Grange at Lone. Mrs. Jones was introduced and welcomed at each grange. She is the Wheatland Pomona Grange District deputy.

Friday, Delpha Jones and Josie Peck attended the C.W.A. conference at Greenfield Grange. The conference

was conducted by the newly appointed District No. Six Chairman, Dorris Reid. There was much discussion on projects sponsored by the grange, such as dogs for the deaf, and the hearing machine that has been installed in Hermiston for use by Morrow and Umatilla county students. The machine is called a sonic ear wireless auditory training device. This machine was pur-

chased by the Oregon State Grange and C.W.A. clubs and money is being raised for another one. There are many contests in the grange, such as sewing, needlework, painting, photography, bread and cookie baking and many other things that can be of interest to the members.

Saturday night, a card party will be held at the Lexington Grange Hall.
