

Pot of Gold banquet to recognize 1st citizens

By JUSTINE WEATHERFORD

The Heppner-Morrow Chamber of Commerce is eager to recognize two first citizens of this county at the Pot of Gold Banquet which is slated for March 9. People who would like to nominate

candidates for this honor should talk with Dr. Wolff, Ray Boyce or Don McElligott before February 25. Chamber President R.W. (Bob) Harris states.

Remember that the persons you suggest must reside somewhere in this county. Dr. Wolff says that the Honors and Awards Committee's basic

criterion for the honor is that these persons are not being selected for work they have done in a paid position.

Persons to consider might be those who have worked with the county fair or rodeo, with the Pioneer Memorial Hospital board, with a planning or budget committee, with the county school board or its

advisory committees—all unpaid responsibilities. Other examples of worthwhile volunteer work, such as, with the museum or library or a church or any community organization that helps people, would give points toward a person's selection by the committee.

Pancake supper slated

All Saints Episcopal Church in Heppner will sponsor an annual Shrove Tuesday Pancake Supper, Tuesday, February 23. The supper will be held in the church parish hall

from 5 to 7 p.m. Cost for adults will be \$2.75, from 5 to 7:30 p.m. Cost for adults will be \$2.75, students \$1.50 or family tickets will be available for \$8.

Lutheran Youth Group experiences handicaps

Heppner area motorists along Cowins and Alfalfa roads were startled on a recent Wednesday night to see a teen-aged girl wearing ski goggles filled with paper towels pushing, somewhat erratically, another girl in a wheel chair down the street.

The motorists were witnessing part of the Lutheran Youth Group's experience in living with a debilitating handicap, said Pastor John Maas.

Ten high school kids and three adults gathered that night to try and "walk a mile in the shoes" of a handicapped person.

Handicap ranging from losing one arm to blindness to being wheelchair bound. Two people were allowed to remain unimpaired. In order to make the exercise more lifelike, no one was allowed to offer anyone help. Help could only be obtained by asking for it, Maas said.

After being assigned different handicaps, the young people were given a simple list of activities to complete: make a phone call, go into a bathroom stall and sit down, open a can of soda pop.

"Look at Darrel! He's got a pencil in his mouth and he's trying to dial the phone with it!" How else does a boy

I.U.C.C. Jr. High Youth Fellowship slates Hungerthon

Many youths of this area have participated in bikeathons and walkathons in recent years to earn money for good causes. The Junior High Youth Fellowship of the lone United Church of Christ has a different idea for their cause: a hungerthon.

Most of the eighteen members of this group will be participating in a 24-hour fast to raise money to fight world hunger. They are asking people to pledge any amount,

per hour that the member goes without food. The fast begins at 9 a.m. on Saturday, February 20, and ends with breakfast (break-fast) at 9 a.m. on Sunday morning, said Barker.

Each participant is gathering his or her own pledges, and will collect the funds after the hungerthon. The total amount raised will be sent to the Hunger Action Fund of the United Church of Christ. This organization works coopera-

tively with Bread for the World and many other churches to provide agricultural supplies and training, to work on policy and politics of hunger, and to provide emergency food aid. The H.A.F. is active in this country and around the world.

During the Hungerthon the participants, led by Chuck and Lisa Nelson and the Rev. Cathy Barker, will learn about world hunger through activities, discussions, and fasting. "The experience will help them to learn with their minds and their stomachs."

Ione Garden Club meets

"Getting acquainted with Perennials" was the discussion presented by Joyce Buchanan at the February 10 meeting of the Ione Garden Club. Hostesses for the meeting were Leila Palmer and Dorothy Burcham.

Mrs. Burcham told the group that perennials include most plants that live from year to year and that the tops of the plants may or may not die back each year. She stated that perennials grow well in most parts of the United States, but that they are not a permanent plant. They need to be divided and replanted about every three years. They need soil that has good drainage so that the roots are never under stress, she said. When dividing the plant, she advised to choose three to five side shoots (not from the

middle of the clump) and plant the divisions in another location if possible, so that soil nutrients will not be depleted.

During the business meeting, upcoming activities were announced including the Yard of the Month selection to begin in April, a nursing home visit on March 16, the Ione city clean-up week beginning March 22 with pick up available on March 26 and 27 and the April 29 plant sale.

Elsie Huston was welcomed as a new member.

Loree Hubbard told club members that she had sent the casket flag of Milton Boyce to be placed at the Avenue of Flags at Willamette National Cemetery, Portland. "Garden Club members will be happy to accept casket flags of veterans to be used in this way," said a club spokesperson.
