

Mustangs open baseball season with 5 games, win 2

Heppner track season opened Saturday

The Heppner High School track team opened the 1982 spring season short on numbers but found talent and depth at the Condon Invitational at Condon last Saturday.

"We scored in every event we were entered in, except one, and in some events had two individuals place," said coach Dale Conklin.

The end result was the girls team placed second in an 11-team field.

"Competition wasn't as great as it has been in past years at Condon, but our

tracksters, to a person, performed very, very well," Conklin said. "One thing that really helped was the fact that all of our runners were in good shape."

High point performer was Mary Kincaid who placed second in the high jump and the 300-meter hurdles, was fifth in the long jump, and with Janelle McElheny, Jodi Padberg and Stephani Payne won the 440-yard relay in :55.2.

Padberg also placed second in both distance races (1500-meter and 3000-meter), just missing the school record at

the shorter race. Payne competed in a very strong field in both 100 and 200 meter dashes and placed fourth and also placed third in the long jump with a jump of 14-6 1/2.

McElheny also placed fourth in the 100-meter hurdles and was fourth in the 300-meter hurdles. Also placing for the girls was Lisa Wilson who finished fifth at 1500 meters and fifth in the 3,000 meters.

Wes Marlatt led the boys with a second place finish in the shot put and third in the discus. Duane Garrett broke his pole on the first attempt in the pole - but managed a third

place finish with a borrowed pole.

The Mustangs were to have competed at Umatilla on Tuesday but inclement weather forced cancellation of the scheduled five-way meet.

Heppner will be on the track again this Saturday hosting the annual Morrow County Invitational at Umatilla. This meet, hosted by Heppner, Ione and Riverside high schools is one of the most competitive meets held in eastern Oregon with 16 schools scheduled to compete. Field events begin at 11 a.m. with running events starting at 12:30 p.m.
