# Hardman reunion planned

An annual Hardman reunion will be held Sunday, June 20 at the Hardman Community Hall. A potluck dinner will begin at 12 noon. Everyone is cordially invited to attend, said a reunion spokesperson.

# I.U.C.C. to observe Peace Sabbath Sun.

The lone United Church of Christ joins churches all over the country in the observance of a Peace Sabbath, a time dedicated to learning about the Biblical imperative of peace, announced the Rev. Cathy Barker, pastor of IUCC. The participants will explore both inner peace and some of the issues of world peace, she said.

In a regular morning worship at 10 a.m. on Sunday, June 20, the theme will be Spiritual Peace. Barker will preach on John 14:23-27 in a sermon entitled, "Shalom-My Peace I Leave With You." The service will include special music, she added.

At 11:15 a.m., after the worship and coffee hour, the public is invited to gather at the church basement for a program on issues of world peace. Marie Rietmann of Condon will show a film by Physicians for Social Responsibility entitled, "The Last Epidemic." A discussion will follow.

Those who attend will have the opportunity to learn what they can do to speak out on the issues of world peace and nuclear disarmament. The initiative petition on a nuclear weapons freeze will be available for those who wish to sign it. If enough signatures are obtained throughout the state by June 25, the people of Oregon will be able to vote in November on whether or not to urge a mutual, verifiable freeze of nuclear weapons development and deployment, Barker stated.

Everyone is invited to attend either or both portions of the Peace Sabbath observance, she concluded.

The common cold is most communicable two days before to two days after symptoms appear.

# Krebs receive lone Yard of Month Award

Dorothy Krebs

Henry and Dorothy Krebs of Highway 74, lone, have been presented the lone Yard of the Month Award for the month of June by the lone Garden Club. The Krebs have many flowering shrubs and a variety of trees in their spacious yard, said a club spokesperson. Their trees include blue spruce, pine, fir, red maple, hawthorne, beech and birch. Flowering trees and shrubs include forsythia, quince, crab, mock orange and many varieties of lilacs, all surrounded by a spacious yard, the spokesperson said.

"The house and many of the trees were established in 1951. The Krebs purchased the home in 1968 and have enjoyed the ranch-type house and spacious yard," the spokesperson said. An interesting group of rocks in the Krebs' yard was admired by the club representatives, and Mrs. Krebs told the group that the rocks were formed many years ago at Glacier National Park, the spokesperson concluded.

# First 1982 Northeast Oregon lamb pool sells

By JOHN P. NORDHEIM, Morrow Co. Extension Agent

The first lamb pool this year for Northeastern Oregon and Southeastern Washington sold on June 10. A total of 488 head of mixed fat and feeder lambs brought 60 cents per pound for fat ones and 55 cents for feeders. Seventeen producers from Athena, Heppner, Stanfield, Pilot Rock, Echo, Pendleton and Adams gathered the 488 head in Hermiston for the first sale of the season. The lambs were graded by weight and finish by John

Nordheim, Morrow County Extension agent, and Ted Gilliland of Pilot Rock, into two grades. American Lamb of Chino, California was the high bidder, with the lambs being delivered June 14. The fat lambs averaged 111 lbs., while the feeders averaged 88 lbs.

The lamb pool is sold by telephone, a Telo-Auction. The telephone livestock auction is a telephone conference of buyers with the auctioneer representing the producers. It helps to stimulate buyer interest in other areas of the U.S., since they are bidding on a truck load of lambs. It also helps the buyers locate and assemble for their needs. This helps the local producers receive the national price, and also gives similar prices to the small producer and the large producer.

The lambs were graded on Sunday, Monday and Tuesday prior to the Thursday sale date. The graders receive 50 cents per head. The Pacific Northwest Livestock Producers Marketing Coop. Inc., receives 85 cents per head for its role in coordinating loads, selling the lambs, receiving and distributing the money. Bob and Pat Hopper, who normally donate the use of their scales, agreed to charge the 25 cents per head assembly point fee to purchase sheep panels to use in loading the sheep.

Animals not drylotted overnight at the point of shipment are subject to shrink: four percent for those coming less than 35 miles, three percent for 36-50 miles, two percent for 51 to 70 miles and no shrink for those coming over 71 miles from home.

The next sale will probably be June 24. Producers who want to sell sheep this year should contact their county extension agent or Nordheim, Heppner, who coordinates the loads.
