

Sign language to be featured at Heppner Nazarene Sunday

Sunday, August 1, the Heppner Nazarene Church will feature deaf interpreting by sign language at the 10 a.m. Sunday School hour. Special guests will be Kathy Schumaker and Brad Tiedt of Spokane, Wash., announced a church spokesperson.

Spokane Falls Community college where Miss Schumaker is now in charge of deaf students. Schumaker will also be signing for the deaf at the upcoming Billy Graham Crusade in Spokane, Aug. 22-29.

The Sunday School hour will feature song singing and some scripture interpreting. Tiedt and Schumaker will also take part in the 11 a.m. worship service and will interpret the message of the hour if there are deaf persons present in the congregation.

Condon Kiwanis Club slates all-comers track meet

The Kiwanis Club of Condon has announced that it will host its sixth annual all-comers track meet, The Wheat Country Classic, on Saturday, August 14, 5 p.m. at the Condon High School Track. The meet features age group competition for both youngsters and adults in a full schedule of field and track events.

Meet records are compiled in all events and ribbons will be awarded to all finishers, said a spokesperson. Trophies will be presented to the outstanding male and female performers and, in addition, the annual Grant Weatherford Memorial Trophy will be given to the best all-around trackster. Only shoes with short spikes will be allowed. Refreshments will be available during the family oriented meet which concludes with a watermelon relay extravaganza involving spectators and participants alike. This years meet will also see the inauguration of a 10,000 meter road run, tentatively scheduled for 7:15 p.m.

For more information write the Condon Kiwanis Club, P.O. Box 17, Condon, Oregon, 97823, or call meet director Pat Wolke at 384-3352 days or 384-2082 evenings.

The clock at Washington's National Bureau of Standards is accurate to one second in 300 years.

Martin Van Buren, elected in 1837, was the first President to be born in the United States, rather than in the English colonies.

Recreation Report

The Umatilla National Forest office, Pendleton, has released the following Recreation Report.

Heppner Ranger District
Bull Prairie Lake Campground and boat launching area is closed until July 30 due to closure of access road for paving. Fairview Campground is open with five campsites. Campers in a non-designated campsite should build their campfires in the middle of an eight-ft. clear circle. Woodcutters need to carry a shovel and fire extinguisher for each saw in use. The woods are drying out. Be careful with campfires.

Dale Ranger District
Olive Lake is open and free of ice. Trails open and maintained are Granite Creek and North Fork John Day River (maintained from Big Creek to Granite Creek). All roads are open. The slide on Road 10 is now cleared and the road is open. All campgrounds are open except North Fork Campground which is closed for road repairs. Fishing is fair. Water is still high but is not clear. Fire season is just beginning this year. Due to all of the rainfall, there is an abundance of grass this year. As this dries, fire potential will become very high. We ask that everyone be very careful with open fires as grass fires can start very easily and spread very quickly.

Pomeroy Ranger District
All campgrounds are open on a reduced or self-service

basis. All roads are open. No snow is left on any of the trails. Most trails are not maintained, however, Pamjab trail is maintained and work is being done on Diamond Peak trail. Some more warm days and nights should bring huckleberries out in abundance. The fire danger is moderate, but will rise as the days continue to be hot and dry.

Ukiah Ranger District
All trails are now open. Spot relocation of Big Creek trail between the Ukiah-Granite Road (Road 52) and Tower Mountain has been completed. The old location had several soft spots in the meadows that were not only eyesores but also contributed silt to Big Creek. Some minor drainage work on the trail still remains to be done. Volunteer assistance from motorcycle enthusiasts in opening the trails on the Ukiah Ranger District has been greatly appreciated. The North Fork of the John Day River and the smaller streams on the district are all clear, so fishing should be good. With the unsettled weather occurring lately, thunderstorms with high winds have been frequent. Even apparently sound trees are often blown over or snapped off, therefore it is advisable to be aware of the danger when selecting a campsite. Recently logged timber areas with scattered, remaining larger trees are most susceptible to wind damage, but no area is immune.

Registration day set for Bible School

The First Christian Church of Heppner wants to remind all children, ages four through fourth grade of the church's upcoming Vacation Bible School, August 2-6, 9 a.m. to 12 noon.

The theme for the school is Come, Follow Jesus. A pre-registration day will

be held this Sat., July 31, from 10-11 a.m. on the parsonage lawn, 275 N. Gale St.

Any children planning to attend the school are asked to come sign up, see a puppet skit and receive a surprise. For more information, phone 676-9209.

Ione Elementary Summer Library to close Aug. 3

The Ione Elementary School Summer Library will close Tuesday, August 3, announced a library spokesperson.

Anyone who participated in the library program this summer is invited to stop by the library that day between 10 a.m. and 3 p.m. for treats and awards, she concluded.

Irrigon woman named to P.M.H. board of directors

Morrow County Court has appointed Caryle Hoffman to a vacant position on the Pioneer Memorial Hospital board, announced a hospital spokesperson.

She is employed as the city recorder for Irrigon, and is the mother of two children. In order to accommodate Hoffmans schedule, the board has changed the regular monthly meeting date from the third Wednesday, to the third Tuesday of each month at 9:30 a.m., the spokesperson said.

The first fan was made in 1886 by Schuyler S. Wheeler who placed a propeller on the end of a shaft which he turned with an electric motor.

YORK

Farm buildings designed to give you the most for your money
