**County gets funds from Highway Div.**

The State Highway Division has distributed \$16,208,127.76 in highway user fees to the 36 counties of the state during the period January 1 to June 30 it was announced by H. Scott Coulter, state highway engineer.

Morrow County, with 9,965 registered vehicles, received \$64,214.31, a division news release reported.

The allocation is based on the statutory 20.07 percent, with the apportionment already being made to the counties on a monthly basis.

The funds come from the following sources: motor vehicle registration and operator's license fees, gasoline tax, use fuel tax, motor carrier fees and fines and penalties collected for violations of the size and weight statutes from citations issued by highway division weighmasters.

The allocation to each county is based on the number of vehicles registered in it. The registration figures are as of December 31, 1981.

For the same period in 1981, the allocation was \$16,477,118.60, the release concluded.

**Heppner Garden Club meets, learns techniques**

By JUSTINE WEATHERFORD

At a meeting of the Heppner Garden Club on Monday night, August 9, at the Weatherford home, guest speakers Betty Christman and Delta Huber, both from Lexington, demonstrated proper techniques for displaying vegetables and flowers to be judged at the coming County Fair. Betty carefully showed how to trim a variety of vegetables and a few fruits brought by the members. Delta discussed how flowers are judged. She urged everyone to try to enter a variety of their flowers. Both women stressed careful study of the premium book. Heppner's Jane and Bill Rawlins contributed some helpful suggestions during the two demonstrations.

During the business meeting led by President Theta Lowe, members finalized plans for their fair booth and reviewed responsibilities for it. The booth must be in place by 9 p.m. on Saturday night. Members agreed to assist Flower Show Chairman Dinah Jackson during Sunday afternoon when all open class flowers must be entered. The hours for entering all flowers, plants

and arrangements are from 4 p.m. until 8 p.m.

Arrangements for the Blue Mountain District 10, fall meeting which will be held at St. Patrick's Parish Hall on Saturday, Sept. 25, were checked over. Club members Bill Rawlins and Dr. Wallace Wolff will be conducting special workshops during that one-day meeting.

It was announced that the Best Yard sign which had been made by the FFA and their instructor Roger Records was recovered from the creek near the Willow Creek Country Club by David Green. The sign was a project of the Heppner-Morrow Chamber of Commerce's Community Activities Committee, Don Cole, chairman. Because the sign has been stolen several times and has worried persons in whose yard it was placed, members decided to discontinue the use of a marker in the winning yard. They have asked the Chamber of Commerce to provide individual certificates for the winners. They unanimously agreed that Clayton Ayers is the winner of the honor for the Aug. 15 to Sept. 15 period (see related story).
