

## Local group cuts firewood Garden Clubs to hold district meeting Saturday

Members of the Morrow County Search and Rescue posse cut logs into firewood for area senior citizens last Thursday. The wood will be distributed to seniors who need wood fuel to heat their homes.

By JUSTINE WEATHERFORD

This Saturday, September 25, Blue Mountain District Number 10 of the Oregon Federation of State Garden Clubs will hold its 1982 Fall District Meeting at St. Patrick's Catholic Church Parish Hall. Officers and members of the clubs at Milton-Freewater, Prairie City, Hermiston, Echo, Umatilla, Condon, the two clubs in Pendleton, plus Morrow County's three clubs from Boardman, Ione and Heppner will have a busy day and educational day.

Theta Lowe, Heppner president, states that about 100

people are expected to attend. Registration will begin at 9 a.m. with a get-acquainted coffee time. The district meeting will follow at 10 a.m. with a welcome from Mrs. Lowe. District Director Connie Telfeson of Milton-Freewater, will preside.

District and state officers who attend will give presentations. Two members of the Heppner club will be conducting workshop sessions before and after lunch. Dr. Wallace Wolff will give information about the cultivation of gladioli and Bill Rawlins will educate the group about growing dahlias. The noon meal will be prepared and served

by members of St. Patrick's Altar Society.

Other features of the meeting day will be a Country Store and a sales table featuring plants and miscellaneous items contributed by club members. Profits of the sale will be used to help defray district expenses. Those who

will attend have been asked to bring flowers and flower arrangements for a small flower show. Some of the visitors will be offered assistance in touring the County Museum and driving out to see the Willow Creek Dam project, after the meeting adjourns about 2:30 p.m.

### Closed season no longer in effect

As of September 23, a closed fire season is no longer in effect in the East-Central Oregon District, announced Dan Shults of the Oregon State

Forestry Department, Fossil Unit. The district includes Morrow, Wheeler, and Gilliam counties, he said.

The Mississippi is often called the "Father of Waters" because of its many branches.

### Sheriff's Report

The Morrow County sheriff's office at the Morrow County Courthouse in Heppner handled the following calls and cases during the past week:

On September 12, a county sheriff's deputy responded to a report of people shooting at insulators on Bonneville Power Administration poles. Clinton Winford Barker, 29, of Irrigon, and Daniel Jay Cannon, 23, of Hood River, were cited for alleged First Degree Criminal Mischief.

On September 13, a Boardman Ambulance transported a patient from Dr. Lobb's office in Boardman to St. Anthony Hospital, Pendleton.

Also on Sept. 13, a Heppner ambulance transported a patient from the Beamer ranch, Balm Fork, Heppner, to Pioneer Memorial Hospital, Heppner.

On September 14, the Boardman Police Department responded to theft reports from several Boardman businesses. Estimated amount of money taken from all was \$1,000.

Also on Sept. 14, Morrow Co. Sheriff Larry Fetsch responded to the scene of an injury accident at 1:36 p.m. James Frase Grant, 44, of Waldport, was transported to Pioneer Memorial Hospital in Heppner by a Heppner ambulance.

On September 16, Steven Dennis Webb, Plymouth, Wash., reported a 1972 Grand Prix stolen from the U & I Inc. parking lot, Boardman.

On September 17, a county sheriff's deputy responded to a one vehicle accident three-tenths of a mile north of Highway 74 on Highway 207.

The injured driver, Robert Claude Buschke, 47, of Maupin, was taken to Pioneer Memorial Hospital and was released. He apparently lost control of his vehicle, causing it to leave the road and roll down an embankment.

On September 18, Lucy George Lewis, 47, of The Dalles, was arrested for allegedly driving Under the Influence of Intoxicants by a county sheriff's deputy. She was transported to The Dalles Jail, since all facilities in this area were full.

On September 19, Rod Flugg of Rod's Auto-Motive, Boardman, reported a burglary and the theft of numerous air tools: air grinders, drills, wrenches, a C-B radio, a 10-ton hydraulic jack and other items.

In another September 19 incident, the sheriff's office received a report of flash flooding in south Morrow County at 4 p.m. Water, mud and debris were reported across Highway 74 between Lexington and Heppner. Traffic control was a cooperative effort between the sheriff's department, the Oregon State Police and the Heppner Police Department. The State Highway Department and county road crews worked into the night to clear mud and debris from the highways. Highway 74 from Morgan to Heppner had several bad areas. Highway 207 from Sandhollow to Lexington also had several areas where the road had been washed out and traffic was limited to one lane. There was also a power outage that lasted about three hours.
