'Make It Yourself With Wool' dist. contest slated for Oct. 23

Hand made woolen garments will be in the fashion spotlight when the annual Make It Yourself With Wool district contest is held in Heppner, October 23. Boys, girls, and adults are invited to participate in the district contest.

The local district (Umatilla, Morrow, Wheeler, and Gilliam counties) is one of the few that includes a special division for adults who sew and knit. Any one over 24 years of age may participate in the adult division, with an opportunity to win valuable prizes.

Farm management class slated

Farmers in the Hermiston area will have the opportunity to take Blue Mountain Community College's Farm Business Management course closer to home this year, according to Alan Nelson, instructor of the course.

Registration in farm management and individual at-home assistance in farm record keeping are two highlights of the course. Nelson added. The first class meeting is scheduled for Monday, Nov. 1, from 2 to 5 p.m. at BMCC's Hermiston Center.

Knitting is currently a hit with the younger generation. Ruth McCabe, district director, hopes to see a number of creative knitted garments in the contest this year, as well as those sewn of fashionable woolen fabrics.

How do you fight inflation, conserve energy, enhance your wardrobe, satisfy your creative urges and at the same time compete for worthwhile prizes? Enter the Make It Yourself With Wool Contest!

The state director, Barbara Zvonar, points out "Inflation compare your finished garment with the same quality woolen ready-made and see the money saved! Energy wool is comfortable in all seasons. Creativity and wardrobe who would not feel pleased and rewarded wearing a beautiful, well fitting wool garment?"

The National Make It Yourself With Wool Contest has been an annual event since 1948, sponsored by the National Wool Growers Auxiliary and many local and regional sponsors.

For complete information regarding divisions, judging, and registration, pick up a registration form at fabric stores, or at your local Extension office. District director, Ruth McCabe, Ione, Oregon, is counting the days with hopes that the October 23rd event will be the biggest and best.

In addition to the judging of the contestants, a luncheon will be included for participants and mothers, fathers, and-or guests. A public fashion show will be at 2:00 p.m., with everyone invited to come and enjoy the display of woolen fashions.

What's Your Opinion?

Question: "With the recent Tylenol capsule scare, how do you feel about taking any over-the-counter capsule?"
"I certainly would be leery and I certainly wouldn't take any Tylenol, but we don't take a lot of medicine anyway," said Carol Helphinstine of Heppner.
