Ione Running back Denny Starr fights for yardage against Echo, as Craig Gutierrez blocks. No. 10 is Mark Meyers

By CRAIG GUTIERREZ
The Ione High School football team failed to overcome the Echo Cougars in their matchup last Friday night on Echo's home field. The game was hard fought and a real defensive battle that ended up with The Cougars on top, 14-6. Ione had an excessive amount of injuries due to the hard hitting defense of the

Echo Cougars, which held Ione to only 180 yards on the ground. Coach Meyers said "We really hurt ourselves. We missed blocks, we ran wrong routes and missed a lot of assignments. They were a good ball club." Denny Starr connected with Tim Patton for 51 yards on three completions. On the ground, Craig Hams had 92 yards on 17 carries, including a touchdown from two yards

out. Howard Leavitt gained 78 yards on 19 carries after recently recovering from an injury that caused him to miss a week of action. Ione's defense did pretty well but still lacked from past performances, giving up 186 yards rushing and 55 yards passing to the Cougars. Ione's defensive line was overcome by the Cougars in the second half and Echo stuck to running the ball successfully. Echo's

Dave McCarty was very quick off the ball and did his damage in the backfield of Ione and made Ione punt on three different occasions and use all four downs several times. Echo scored once in the third quarter and once in the fourth quarter (extra point failed) to end the scoring at 14-6. Ione will host the Cascade Locks' Pirates on October 7 at 7:30 p.m.

Ione Jr. High comes out on top of North Sherman

By CRAIG GUTIERREZ
The Ione Jr. High football team came out on top in a defensive battle with North Sherman last Thursday with a score of 24-0. North Sherman had an excellent offense but Ione's defense contained them throughout the game with hard hits and key plays coming at the right moments. Ken Snider of Ione picked off two North Sherman passes. Ashley Conklin had one fumble recovery. Ione scored in the first quarter on a 60 yard pass from Ken Snider to Ashley Conklin. Snider ran the two-point conversion into the endzone to make the score 8-0.

ran it to their own 30, to end their drive for the moment. On Ione's next possession of the ball they fumbled and gave the ball back to North Sherman on Ione's 30 yard line. In three tough, defensive

plays, Ione caused a fumble and Mike Rietmann of Ione recovered the ball in the endzone for a touchdown. Ione's final score came with a run by Ken Snider. Snider also ran in the two point conversion at the end of the game.

Ron Mack, Ione's coach, said "It was a very good game, they had a good team but we played pretty well." Ione's next game will be at Arlington on October 7 at 1:30 p.m.

Local BMCC office hours announced

Blue Mountain Community College area coordinator Nancy Brownfield has announced that her office hours (when she can best be reached by phone) are on Mondays, Wednesdays and Thursdays, from 4 to 7 p.m. She said she may also be contacted on Saturdays from 9 a.m. to 12 noon. Her BMCC number is 676-5039. Anyone needing information when she is not available may leave their name and phone number with her recording service and she will return the call during office hours. Brownfield said she encourages callers to use the recording service so that the community may be better served through local BMCC programs.

Vikings leave Heppner JV team defeated

By GLENN SMITH
The Umatilla Vikings came to Heppner to play the Mustang junior varsity team in a bout that left the Mustangs defeated, 6-28. The Heppner team had looked really tough in earlier quarters, but toward the end of the third and during the fourth quarter they fell apart. Tim Birkby, coach for the Mustang team commented "We basically beat ourselves. Our main problem was offensive blocking and defensive tackling. Too many times we tried to arm tackle people instead of hitting them and grabbing." Birkby complimented Bobbyewen, Cam George, Alex Lindsay and Archie Lucas on their efforts in the game.

Camping rates lowered

Overnight camping rates in all Oregon State Parks are \$1 less per site from now until Sunday, May 8, 1982. The new rates went into effect October 1. Prices for Oregonian campers will range from \$3 to \$6, depending on the type of facilities desired. State law requires an additional charge of \$2 per site per night for non-residents. Most State Park campgrounds will close for the season at the end of October, but the reduced fees will be available at the 11 remaining open year around. They include: Beverly Beach, seven miles north of Newport; Bullards Beach, one mile north of Bandon; Cape Lookout, 12 miles southwest of Tillamook; Champoeg, seven miles east of Newberg; Farewell Bend, 24 miles northwest of Ontario; Fort Stevens, 10 miles west of Astoria; Harris Beach, two miles north of Brookings; Hillgard Junction, eight miles west of LaGrande; J.M. Honeyman, three miles south of Florence; Joseph Stewart, six miles southwest of Prospect; and Valley of the Rogue, 12 miles east of Grants Pass. In the past, State Park day use areas have traditionally remained open year around

except for weather or construction related closures. The following facilities are available at the reduced winter rates: Primitive campsite, \$3 includes table and stove, water and sanitary facilities may be some distance away. Tent campsite, \$4, provides table, stove, water supply

and restroom and shower facilities nearby. Improved campsite, \$5, includes table, stove, water, electrical hookups and restroom and shower facilities nearby. Trailer campsite, \$6, provides table, stove, water, electrical and sewage hookups, with restroom and shower facilities nearby.

HHS volleyball team meets Boardman, Umatilla

The Heppner High School varsity volleyball team played two teams last week, both at home. The first was played against Riverside on Tuesday, with Heppner winning both games, 15-11 and 15-7. "We played our best game all season against Riverside. We

switched from a 4-2 offense to a 5-1 and things started working well," said coach Jan Terjeson. The Heppner Fillies met Umatilla on Thursday and came away with one win and two losses. The first of the three games turned out to be a

winning effort, 15-7, while the Heppner team was downed in the second and third games, 7-15 and 3-15. "The first game against Umatilla was great," said Terjeson. But Umatilla intimidated the girls in the second two games, she said.

HHS suffers disappointing loss at hands of Wahtonka

Heppner's Sid Kennedy rounds corner in Friday night game against Wahtonka

By GLENN SMITH
On Friday, Oct. 1, Heppner was the site of a disappointing game for the Mustang Football team when they lost to the Wahtonka Eagles, 13-14. The Mustangs were the first to score in the second quarter, but the Eagles came back to even it up by halftime with a score of 7-7. In the second half, the Mus-

tangs were again the first to score but a missed extra point put them behind when the Eagles came back to score again and get the extra point. Heppner threatened late in the fourth quarter but lost the ball after failing to get a first down. Time ran out for the Mustangs and the game ended with a one-point loss for Heppner. Coach Les Payne commen-

ted "For the first three quarters we looked really good. Our playing was quite an improvement over earlier games. Wahtonka got their second touchdown because of mistakes. That plus when we faltered in the fourth quarter defeated us." The Mustangs will play Wasco Co. this Friday, Oct. 8, on the Mustangs' home field, at 8 p.m.

9 golfers brave wind in ladies play

Nine hardy souls braved a cold wind last Tuesday, Sept. 28, to compete in regular ladies' play at Willow Creek Country Club. said a group

spokesperson. Low gross winner was Lois Hunt with a 43, while Eileen Padberg with a 46 won low net. Harriett Pierson and Muriel

Palmer tied for least putts with 15. Other players were said to have taken the fifth amendment on their scores.

Rewards offered by National Forest

Theft and destruction of United States property amounts to several thousand dollars on the Umatilla National Forest each year according to John Lowe, forest supervisor. The biggest loss is to road signs. The theft and destruction of signs not only is

expensive but causes problems for the public who rely on signs to reach their destinations. Up to \$5,000 for information leading to the arrest and conviction of any person charged with destroying or stealing any property of the United States is being offered, ac-

ording to Lowe. Information can be submitted to the Umatilla National Forest headquarters located at 2517 S.W. Hailey Avenue in Pendleton, any district ranger's office or state or county law enforcement office.
