C.W.A. to meet

The Heppner Christian Women's Club will meet for a salad buffet on Tuesday, Nov. 2, 6:45 p.m., at the Degree of Honor Hall in Heppner.

Theme of the meeting will be "Tumbling Tumble Weed." Special feature will be dried flower arranging by Irene Swanson of Heppner.

Musical entertainment will be provided by Karen and Doug Thomas of Heppner.

Mustang JV team loses to Riverside in last of season

By GLENN SMITH

The Heppner Mustang JV team stayed home Monday, Oct. 18 to play the Riverside Pirates in the last JV game of the season. Although the Mustangs, according to Coach Tim Birkby, "played their best game of the season," it wasn't good enough to sink the Pi-

rates, and they lost, 2-8. Birkby went on to say "Both Offense and Defense played the best game of the season. The main reason we lost the game was because of a bad punt snap that set Riverside up to score."

Overall, Birkby was pleased with the outcome of the JV's season. "We accomplished

our objective," he stated, "which was to prepare the kids for varsity, and to have fun."

MORROW COUNTY, OREGON

Tuesday, November 2, 1982 from 8:00 a.m. to 8:00 p.m.

PARTISAN CANDIDATES		MEASURES	
Mark a Cross (X) or a Check Mark (✓) in the voting square between the number and the name of each candidate voted for.		To vote on a Constitutional Amendment, Measure or Question, Mark a Cross (X) or a Check Mark (✓) in the voting square after the word "YES" or after the word "NO" for each answer voted for.	
NATIONAL		REFERRED TO THE PEOPLE BY THE LEGISLATIVE ASSEMBLY	
REPRESENTATIVE IN CONGRESS, SECOND CONGRESSIONAL DISTRICT (Vote for One)		1 INCREASES TAX BASE WHEN NEW PROPERTY CONSTRUCTION INCREASES DISTRICT'S VALUE	
15 <input type="checkbox"/>	ROBERT F. (BOB) SMITH Republican	Question: Shall a taxing district's constitutional tax base increase when new property construction causes district's true cash value to increase? YES <input type="checkbox"/> NO <input type="checkbox"/>	
16 <input type="checkbox"/>	LARRYANN WILLIS Democrat	Purpose: Constitution now allows taxing districts a six percent annual increase over their previous year's tax base. Measure would allow an additional tax base increase based on value of newly constructed property in the taxing district. Two years after new construction increasing a district's assessed value, its tax base would increase in proportion to the value rise due to new construction plus six percent. Increase cannot be more than 15 percent of prior year's tax base. Estimate of Financial Effect: The impact of the passage of this measure is based on existing laws and appropriation levels in effect on August 4, 1982. In addition to the revenue impact on local governmental units, passage of this measure will have the following financial impact on state government. Income Tax revenue will be reduced by approximately \$700,000 in fiscal year 1983-1984. Homeowner and Renter Refund Program (HARRP) refunds to homeowners and renters will be increased by approximately \$200,000 in fiscal year 1983-1984. The State Tax Base will increase by approximately \$28,000 in fiscal year 1983-1984. The last time the state levied a property tax was 1940.	
STATE		2 LENGTHENS GOVERNOR'S TIME FOR POSTSESSION VETO OR APPROVAL OF BILLS	
GOVERNOR (Vote for One)		Question: Shall Governor be allowed more time to approve or veto bills presented after fifth day before end of legislative session? YES <input type="checkbox"/> NO <input type="checkbox"/>	
17 <input type="checkbox"/>	VIC ATIYEH Republican	Purpose: Amends state constitution. Extends from 20 to 30 days the time after adjournment that Governor may hold bills presented for signing after fifth day before legislative session ends. Permits voter referendum petition process to start before Governor approves bill. May thus extend time to collect referendum signatures, but will shorten time to collect signatures for bills presented to Governor more than 20 days after adjournment. Vetoed bills must be returned by Governor with written objections.	
18 <input type="checkbox"/>	PAUL J. CLEVELAND Libertarian	PROPOSED BY INITIATIVE PETITION	
19 <input type="checkbox"/>	TED KULONGOSKI Democrat	3 CONSTITUTIONAL REAL PROPERTY TAX LIMIT PRESERVING 85% DISTRICTS' 1979 REVENUE	
COMMISSIONER OF THE BUREAU OF LABOR AND INDUSTRIES (Vote for One)		Question: Shall constitution limit real property tax rates and valuations, preserve (HARRP), require elections for certain taxes and limit tax elections? YES <input type="checkbox"/> NO <input type="checkbox"/>	
20 <input type="checkbox"/>	BURGESS LAUGHLIN Libertarian	Purpose: Constitutional amendment limits real property tax to 1 1/2% 1979 true cash value, plus enough for 85% (100% for emergency services) districts' 1979-1980 revenues. Requires equivalent renter relief. Taxable values, district revenues may increase 2% annually. Taxes for existing debts exempted. Preserves HARRP. Prohibits special ad valorem or sales tax on realty. Tax increases require 1/3 legislative or majority popular vote. Certain taxes require elections. Annual limit of two tax elections. Estimate of financial effect: The impact of the passage of this measure is based on existing laws and appropriation levels in effect on August 4, 1982. In addition to a revenue impact on local governmental units, passage of this measure will have the following financial impact on state government. Homeowner and Renter Refund Program (HARRP) will not decrease in 1983, but will decrease by approximately \$7.5 million in calendar year 1984 because total property taxes will be reduced. Income Taxes for corporations will increase by approximately \$6.3 million and personal income taxes will increase approximately \$20.6 million for a total increase of approximately \$26.9 million in calendar year 1983. A decrease in property taxes means less deductions for purposes of Oregon income tax and thereby produces these increased tax revenues. Passage of this measure will prohibit the state from selling additional general obligation bonds for the following presently authorized programs: * Oregon State Highway * State Power Development * Oregon Forest Rehabilitation and Reforestation * Oregon Pollution Control * Irrigation, Drainage and Water Projects * Oregon Veterans' Welfare * Higher Education (Including Community College) Facilities and Buildings * Elderly Multi-Family Housing * Small Scale Energy Projects Passage of this measure will not affect any outstanding state bonds.	
21 <input type="checkbox"/>	MARY ROBERTS Democrat	4 PERMITS SELF-SERVICE DISPENSING OF MOTOR VEHICLE FUEL AT RETAIL	
22 <input type="checkbox"/>	MIKE WOOTON Republican	Question: Shall persons other than service station operators/employees be allowed to pump gasoline and other vehicle fuels for retail sale? YES <input type="checkbox"/> NO <input type="checkbox"/>	
STATE REPRESENTATIVE, FIFTY-NINTH DISTRICT (Vote for One)		Purpose: Only owners, operators and employees of filling stations, garages and other places where motor vehicle fuel is sold may now pump gasoline and other flammable fuels for retail sale. Measure requires State Fire Marshal to adopt safety rules, effective on or after March 1, 1983, allowing retail customers and others to fill with gasoline and other motor vehicle fuels (except liquid petroleum gas) vehicle fuel tanks and other containers.	
23 <input type="checkbox"/>	MAX SIMPSON Democrat	5 PEOPLE OF OREGON URGE MUTUAL FREEZE ON NUCLEAR WEAPONS DEVELOPMENT	
COUNTY		Question: Shall the people urge United States to propose to Soviet Union a mutual freeze on nuclear weapons system development, deployment? YES <input type="checkbox"/> NO <input type="checkbox"/>	
MORROW COUNTY COMMISSIONER (Vote for One)		Purpose: Measure directs that the President of the United States, Secretary of Defense, Secretary of State and all members of Congress be told that the People of Oregon urge the United States to propose to the Soviet Union "that both countries agree to immediately halt the testing, production, and further deployment of all nuclear weapons, missiles, and delivery systems in a way that can be checked and verified by both sides." Governor to send written message.	
24 <input type="checkbox"/>	DOROTHY KREBS Republican	6 ENDS STATE'S LAND USE PLANNING POWERS, RETAINS LOCAL PLANNING	
25 <input type="checkbox"/>	IRVIN RAUCH Democrat	Question: Shall the state's land use authority end, goals be advisory only, and county and city land use planning continue? YES <input type="checkbox"/> NO <input type="checkbox"/>	
NONPARTISAN CANDIDATES		Purpose: Measure removes the requirement that local plans conform to state-wide planning goals. It retains the requirement that each city and county establish and maintain a master land use plan. Abolishes Department of Land Conservation and Development, Land Conservation and Development Commission and Land Use Board of Appeals. Appeals of local land use decisions transferred to circuit courts. Directs formation of committees to advise on state wide goals, and to draft legislation consistent with measure. Estimate of financial effect: The impact of the passage of this measure is based on existing laws and appropriation levels in effect on August 4, 1982. Passage of this measure will reduce General Fund expenditures for the 1981-1983 biennium by approximately \$800,000. General Fund expenditures in the 1983-1985 biennium will be increased by an estimated \$250,000 for the statewide advisory committee.
